Subject: WMO HydroHub Think Tank meeting (19 May 2025), joint Think Tank and Advisory Council meeting (20 May 2025) and Strategic Discussion on Surface Velocimetry in Hydrology (21 May 2025)

Dear Sir/Madam,

The WMO HydroHub, with the kind invitation of the *Instituto Costarricense de Electricidad* (ICE), is organizing the 10th HydroHub Think Tank meeting (19 May 2025), the joint Think Tank and Advisory Council meeting (20 May 2025) and the Strategic Discussion on Surface Velocimetry in Hydrology (21 May 2025).

I have the pleasure to invite you to the events above, in your capacity as member of the WMO HydroHub Think Tank. These events will take place in San José, Costa Rica, at the facilities of ICE.

The meeting agendas and background documents will be sent to you in due course.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, and accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events.

WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides limited coverage for medical, emergency, and supplementary official travel expenses.

I would like to take this opportunity to thank you for your continued support to WMO activities and look forward to your participation to these important events.

Yours faithfully,

Mr Nir Stav
Director
Infrastructure Department

To: Members of the WMO HydroHub Think Tanks
