Dear Sir/Madam,

As you are aware, the World Meteorological Organization (WMO) Regional Association V (RA V) called for annual session of the RA V Tropical Cyclone Committee (RA V TCC) for the South Pacific and South-East Indian Ocean prior to the tropical cyclone season (Resolution 1, RA V-18, virtual session).

The RA V TCC-23 will be organized in the form of a video-conference with a series of 3-hour meetings each day, to update the operational procedures and to learn lessons from the members from the past cyclonic season.

I am pleased to invite you to nominate a representative of your country to participate in the RA V TCC-23 session via the series of videoconferences. Please find attached herewith the nomination form (Annex I). The agenda and other documents will be made available in due course on the session website [RA V Tropical Cyclone Committee - 23rd Session \(RA V TCC-23\) World Meteorological Organization](#).

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 15 July 2025**, whether an expert will be able to participate in the session.

I wish to take this opportunity to thank you for your continued support to WMO activities.

Yours faithfully,

Ms Ko Barrett
