Subject: Study opportunity for five fellowships at the Indonesian State College of Meteorology, Climatology and Geophysics (STMKG)

Action required: For information and appropriate action, as required

Dear Sir/Madam,

I have the pleasure to inform you that the Agency for Meteorology, Climatology and Geophysics of the Republic of Indonesia (BMKG) in cooperation with the Indonesian State College of Meteorology, Climatology and Geophysics of Indonesia (STMKG) will open a fellowship opportunity to five member countries of Regional Association V (RA V): Malaysia, Singapore, Brunei Darussalam, Timor Leste and Papua New Guinea to send one of their officer for a BSc programme in Meteorology and Climatology in STMKG with requirements as enclosed to this letter.

I am convinced that the very welcome commitment of BMKG to offer this opportunity to neighbouring states in RA V will assist them to increase their capacity to provide weather and climate services to their communities.

Interested candidates are requested to submit the application directly to BMKG at the latest by **14 April 2017**.

I would like to take this opportunity to thank you for the cooperation with WMO on fellowships and other issues relating to education and training.

Yours faithfully,

(P. Taalas)
Secretary-General

To: Permanent Representatives of Brunei Darussalam, Malaysia, Papua New Guinea, Singapore and Timor Leste with WMO (limited distribution)
