Dear Sir/Madam,

I have the honour to refer to my communication of 16 June 2017 (ref.: 19819/2017/SG/RG/(1st VP 2nd ballot)), concerning the election by correspondence of the First Vice-President of the World Meteorological Organization (WMO).

Subsequently, four nominations were received before the deadline of 17 July 2017. The following four candidates, who have confirmed their willingness to stand for the office of the First Vice-President of the Organization, constitute the final list of candidates for the present election as provided for in Regulation 93 of the General Regulations of the Organization:

Mr Shamsuddin AHMED (Bangladesh)
Ms Vida AUGULIENĖ (Lithuania)
Mr Thaer Hussein MOHAMMED (Iraq)
Mr Robert Andrew VARLEY (United Kingdom)

The purpose of this letter is to proceed with an election by correspondence for the above-mentioned office in conformity with the relevant extracts of the Articles of the Convention and General Regulations, attached as Annex 1.

As Regulation 82 of the General Regulations requires that in all elections, voting shall be by secret ballot, I am enclosing herewith a voting slip attached as Annex 2, together with two envelopes, one blank and one authenticating the vote. Please note that this voting slip is only being transmitted to the Ministry of Foreign Affairs.

The Members of the Organization which are States are entitled to vote in this election in accordance with Article 11(a)(4) of the Convention of the Organization. I therefore have the honour to invite Members which are States to vote for the candidate of your choice for the office of the First Vice-President of the Organization and, in doing so, to observe the following procedures and practices:

- (a) The voting slip should contain only **one name**, i.e. the name of the preferred candidate amongst those listed above. No other notation, mark or sign revealing the identity of the voter should appear on the voting slip;

To: Ministers of Foreign Affairs of Member States of the World Meteorological Organization
(limited distribution)

- (b) The completed voting slip should be placed in the blank envelope (Annex 4), which is to be sealed. Nothing should be written, stamped or signed on this envelope;
- (c) The blank envelope should then be placed in the authenticating envelope (Annex 5), which is also to be sealed and the information on the outside of the envelope completed as indicated on it;
- (d) The authenticating envelope has to be signed **by or on behalf** of the Minister for Foreign Affairs or, in case of those matters to which the provisions of Regulation 6(a) of the General Regulations apply, by the Permanent Representative with WMO or a person authorized to sign on behalf of the Permanent Representative with WMO and designated as such to the Secretary-General (Regulation 72(b) of the General Regulations).

It should be emphasized that WMO Permanent Representatives designated by their government with authority limited to technical matters only, cannot vote unless otherwise formally indicated by their respective government;

- (e) The vote is to be received by the Secretary-General not more than sixty days after the date of dispatch of the present letter (Regulation 72(a) of the General Regulations), i.e. **not later than 13 October 2017**;
- (f) Only votes of Members entitled to vote shall be considered. In this connection, Resolution 37 (Cg-XI) stipulates, inter alia, that those Members who have not paid their contributions for more than two consecutive calendar years shall not be entitled to vote in sessions of constituent bodies of the Organization, nor to participate in a vote by correspondence of constituent bodies of the Organization.

I should be greatly obliged if you would kindly return the voting slip duly completed and sealed in conformity with the above procedures and practices by registered airmail, so that the vote reaches the Secretariat before the final closing date of **13 October 2017**.

Please be aware that WMO Permanent Representatives designated by their government to be the normal channel of communications with WMO (list attached as Annex 3, for ease of reference), will be invited under separate cover to utilize an electronic voting system for this election, as an **alternative** to the traditional paper voting slip, herein provided. If your WMO Permanent Representative does **not** appear on the list at Annex 3, please proceed with the voting procedure as outlined above. If your WMO Permanent Representative does appear on the list, kindly ensure with your WMO Permanent Representative that only one vote is cast by your government.

In the event that the Secretariat receives both a voting slip and an electronic ballot from a Member, please note that the voting slip will be given preference and the electronic ballot will be voided.

A copy of this letter with Annexes 1 and 3 is being sent to the WMO Permanent Representative of your country, to the President of the Organization and also to Permanent Missions of Member States of WMO, for information.

Accept, Sir/Madam, the assurances of my highest consideration.

(P. Taalas)
Secretary-General
