Dear Sir/Madam,

I wish to inform you that the seventieth session of the Executive Council will be held from 20 to 29 June 2018 at the WMO headquarters in Geneva, Switzerland.

The Executive Council at its sixtieth session (Geneva, June 2008) decided to amend Rule 7 of its Rules and Procedures to provide for its meeting to be held in public. In this context, WMO Members, Permanent Missions in Geneva, governmental and non-governmental international organizations and non-Members of WMO, interested in following the discussions of the above-mentioned Executive Council session may send representatives to attend the session as Observers.

The provisional annotated agenda, documents for the session as well as information on the material arrangements will be posted online in due time, exclusively on the session website (<http://meetings.wmo.int/EC-70>).

For registration of WMO Members and Permanent Missions in Geneva, the link to the online Event Registration System (ERS), the username and password that were sent to Permanent Representatives with WMO, by e-mail remain valid for all upcoming WMO meetings (<https://eventregistration.wmo.int/register/>). Please note that the online registration is now open and will close on **8 June 2018**.

Please pre-register each participant individually in order to avoid delays on arrival at the venue. Those participants who have not been pre-registered will be required to do so directly at the registration desk by presenting an official proof of representation, such as a letter from the relevant Member or appropriate authority.

Please note that the submission of information through the online event registration system does not exempt participants from the need to inform the Secretariat of their participation through a signed letter or Note Verbale to be sent by e-mail to: registration@wmo.int.
