Subject: The Thirteenth RA V Training Course on Tropical Cyclones  
(Nadi, Fiji, 9-13 September 2019)

Action required: Completed nomination form to be submitted **on or before 12 July 2019**

Dear Sir/Madam,

The Regional Association V Tropical Cyclone Committee, at its Seventeenth session held in Nouméa, New Caledonia, France, 23-26 July 2018, recognized that the biennial RA V Training Course on Tropical Cyclones has been an excellent vehicle to enhance the capacity building in tropical cyclone forecasting in the region, and therefore recommended its organization in 2019.

In this regard, I am pleased to inform you that, at the kind invitation of the Government of Fiji, the Thirteenth RA V Training Course on Tropical Cyclones will be held in Nadi, Fiji, from 9 to 13 September 2019.

I would, therefore, like to invite you to nominate an expert to participate in the above-mentioned training course. A copy of the nomination form and information note for participants is enclosed herewith. An outline of the provisional programme will be made available in due course. The training event will be conducted in English only.

Due to the limited funds available for this event, it is hoped that your Service could consider covering the expenses relating to the attendance of your nominated expert.

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 12 July 2019**, whether an expert from your Service will be able to participate.

Yours faithfully,

(W. Zhang)  
for the Secretary-General
