16 February 2022

Annex: 1 (available in English only)

Subject: WMO RTCs Annual Reports for 2021 and Course Offerings for 2022

Action required: Your input by **28 February 2022**

Dear Sir/Madam,

I would like to express my appreciation to you, and through you, to all the staff of the World Meteorological Organization (WMO) Regional Training Centre (RTC) for your continuing contributions to the WMO Education and Training Programme (ETRP). Your RTC is a key component of the network of WMO RTCs (see list in Annex) and contributes to our success in meeting WMO priorities in serving Members.

In keeping with the Executive Council decisions on the roles of RTCs, I request your RTC to prepare the Annual Report for 2021 and submit it directly to the Education and Training (ETR) Office ([tra@wmo.int](mailto:tra@wmo.int)). The electronic report template will be sent to all RTCs by email but can also be requested from the ETR Office or downloaded from [here](#). Please note that if there is more than one component in your RTC, each component should submit a separate report.

Please let us know by using Table I of the annual report if you would like us to update our records regarding the director/representative of the RTC, or any information about your RTC as presented in the [RTCs Community Webpage](#). I would also like to request your RTC to report on long-term and short-term courses with an indication of delivery modes as requested in Tables II and III, and other activities in Table IV of the annual report. Table V contains some additional reflection questions on challenges, opportunities, and strategic initiatives that may help WMO serve the RTCs better.

I would be grateful if you would provide us with the list of course offerings planned in your RTC for the year 2022 by using Table VI. Please note that if you have any changes, it will be possible to update them later.

In order to increase the visibility of your RTC and its contribution to the Members, we would appreciate receiving them **by 28 February 2022** so that we can begin to prepare our reports for the constituent bodies meetings and plan our co-sponsored events.

To: Permanent Representatives of Members hosting WMO Regional Training Centres (RTCs) (limited distribution)

cc: All Directors/Principals/Representatives of Regional Training Centres/Components (RTCs)

Please do not hesitate to contact the ETR Office ([tra@wmo.int](mailto:tra@wmo.int)), if you have any questions or clarifications about the report.

My very best wishes for the New Year.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Zhang', written in a cursive style.

Dr Wenjian Zhang  
for the Secretary-General
