Dear Sir/Madam,

The World Meteorological Organization (WMO) Regional Association (RA) IV called for annual session of the Hurricane Committee (Resolution 6, RA IV-18, virtual session, from 8 to 11 February 2021).

Due to the worldwide pandemic of COVID-19, the forty-fourth session of the RA IV Hurricane Committee (HC-44) will take place online from 25 to 28 April 2022, as detailed in the [Annex](#).

The function of the Committee may be broadly described as, among others, coordination and improvement of the hurricane forecasting and warning services, and thereby, the reduction of casualties and damage resulting from hurricanes in the Region.

Since some aspects of the agenda for the session are related to the activities of your Organization, I am pleased to invite you to nominate an expert from your Organization to attend the HC-44 session as an observer. The draft daily agenda will be made available in due course.

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 14 March 2022**, of the attendance of your nominated expert.

Yours faithfully,

Dr Elena Manaenkova
for the Secretary-General
