Subject: Annual Contribution to the WMO/ESCAP Panel on Tropical Cyclones Trust Fund for 2022

Your Excellency,

I have the honour to inform you that the World Meteorological Organization (WMO)/ESCAP Panel on Tropical Cyclone Trust Fund (hereinafter referred to as the Fund) has been established to provide support to the Panel to facilitate the implementation of its important programmes, concerning the mitigation of the harmful effects caused by tropical cyclones, associated floods and storm surges. The Fund shall assist in the provision of institutional support to the Panel's Secretariat, programme and other support activities, or activities of Members related to programme objectives.

I wish to convey my most sincere appreciation and thanks to the Panel Members who have provided financial contributions and made pledges to contribute to the Fund.

The Fund has been established from voluntary cash contributions by Members of the Panel. At its forty-fifth session, (United Arab Emirates, online, 20, 21 and 23 September 2021), the Panel urged its Members to continue their contributions to the Fund as a substantial support to the Panel's activities.

In view of the above, I should appreciate it if your Government would kindly consider providing a contribution to the Fund for 2022. Contributions to the Fund can be made directly to WMO preferably in the amount of USD 3,000 or equivalent in other convertible currency.

Payment of contributions can be effected either by cheque made to the order of the "World Meteorological Organization" or by transfer to WMO Account No. 240-C0191516.1 with:
