Subject: Twentieth Session of the WMO RA V Tropical Cyclone Committee (RA V TCC-20), 23-25 August 2022, 0030-0330 UTC

Dear Sir/Madam,

As you are aware, the World Meteorological Organization (WMO) Regional Association V (RA V) called for annual session of the RA V Tropical Cyclone Committee (RA V TCC) for the South Pacific and South-East Indian Ocean prior to the tropical cyclone season (Resolution 1, RA V-18, virtual session).

The RAV TCC-20 will be organized in the form of a videoconference with a series of 3-hour meetings each day, to update the operational procedures and to learn lessons from the members from the past cyclonic season.

Since some items of the agenda for the session are related to the activities of your Organization, I am pleased to invite you to nominate an expert from your organization to attend the RA V TCC-20 session via the series of videoconferences, as an observer. Please find attached herewith the draft shortened agenda for the session (see annex). The documents will be made available in due course at the session website.

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 2 August 2022**, of the attendance of your nominated expert.

Yours faithfully,

Dr Elena Manaenkova
for the Secretary-General

To: Heads, International Organizations (limited distribution)

cc: Mr 'Ofa Fa'anunu, President of RA V
Mr Chris Noble, Chairperson of RA V Tropical Cyclone Committee
