Action required: Completed nomination forms to be submitted to the WMO Secretariat

Dear Sir/Madam,

As you are aware, the World Meteorological Organization (WMO) Regional Association V (RA V) called for an annual session of the RA V Tropical Cyclone Committee (RA V TCC) for the South Pacific and South-East Indian Ocean prior to the tropical cyclone season ([Resolution 1 \(RA V-18\)](#) - Working Structure of RA V in context of Comprehensive Regional Reform).

The RA V TCC-20 will be organized in the form of videoconference with a series of 3-hour meetings each day, to update the operational procedures and to learn lessons from the members from the past cyclonic season.

I am pleased to invite you to nominate a representative of your country to participate in the RA V TCC-20 session via the series of videoconferences. Please find attached herewith the nomination form (Annex I) and the draft shortened agenda for the session (Annex II). The documents will be made available in due course on the session website.

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 2 August 2022**, whether an expert will be able to participate in the session.

I would like to take this opportunity to thank you for your continued support to WMO activities.

Yours faithfully,

Dr Elena Manaenkova  
for the Secretary-General

To: Permanent Representatives of Members of Regional Association V Tropical Cyclone Committee
