Subject: WMO ClimSA Training Workshop on Climate Risk Information for
Climate Action in Port Louis, Mauritius, 23-26 September 2025

Dear Sir/Madam,

As per the nomination received (see Annex 1), you will be representing your country at the WMO ClimSA Training Workshop on Climate Risk Information for Climate Action in Port Louis, Mauritius, from 23 to 26 September 2025. Financial support for your attendance has been requested. In this regard, I would like to inform you that WMO will provide financial support to cover the cost of your attendance.

Regarding insurance, we wish to inform you of WMO's insurance coverage for non-staff members, which, according to Resolution 27 (EC-73), is as follows:

"Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization and is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency, and supplementary official travel expenses."

Yours Sincerely,
