10 September 2025

Annex: 1

Subject: Confirmation of invitation to attend the Training Workshop on Air Quality Monitoring and Analysis, to be held in Ben Guerir, Morocco, from 9 to 11 October 2025

Dear Sir/Madam,

I am pleased to inform you that your application for the "Training Workshop on Air Quality Monitoring and Analysis" offered by WMO (<https://cwcc2025-conference.org/#WMOTraining>) have been accepted. Congratulations on being selected! I am impressed with your qualifications and enthusiasm for enhancing your skills through this programme.

The event will be held considering in-person sessions. **In-person training will be held at the Mohammed VI Polytechnic University (UM6P) in Ben Guerir, Morocco, from 9 to 11 October 2025.** This in-person course aims to introduce the participants to the main principles of air quality with a specific focus on data available products (including monitoring and forecasting) in Africa.

Additional information regarding the course materials and session times will be distributed in the next days.

WMO is willing to in-kind cover your expenses associated with this event. These expenses include travel expenses (i.e. round-trip airfare and visa fees), accommodation and a per diem amount. WMO will contact you for the arrangement of the flight tickets and our local hosts, UM6P, is organizing the accommodation and meals during your stay in Ben Guerir.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, and accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events.

WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides limited coverage for medical, emergency, and supplementary official travel expenses.

You should be aware that this training workshop is organized as a side event of the Climate and Weather Change Conference 2025 (CWCC2025, <https://cwcc2025-conference.org>). This international scientific conference aims to discuss the latest research and

innovations in climate and air pollution science. If you are interested to participate in this international conference, just be aware that **WMO is not funding** these days if you want to stay for the conference. For further information you can contact the conference organizers (kindly see details here <https://cwcc2025-conference.org/#contact>).

I look forward to your participation and I am confident that you will find the training both informative and valuable. Should you have any questions prior to the start of the course, feel free to reach out to us at gaw@wmo.int.

Once again, congratulations on your acceptance, and I am excited to have you as part of this learning journey.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Paolo Laj', written over a thin horizontal line.
