Action required: Complete nomination form to be submitted to the WMO Secretariat **before 15 September 2026**

Dear Sir/Madam,

As endorsed by the Regional Association I (Africa) Tropical Cyclone Committee for the South-West Indian Ocean (RA I TCC) during its twenty-fourth session in November 2021 and confirmed during the twenty-fifth session of RA I TCC in 2023, the Committee will, upon the Chair's proposal, meet every second year (in the years between its regular meetings) in a virtual session. This one-day meeting, with French/English interpretation, scheduled just before the beginning of the cyclone season, is organized to review available forecast products and discuss operational matters.

As your country is represented in this RA I TCC, I would like to invite you to nominate a representative to attend the online RA I TCC-Ext(2026) session. The nomination form is attached herewith. The documents of the meeting will be made available in due course on the [session website](#).

For administrative purposes, I would be grateful if you could notify the WMO Secretariat **before 15 September 2026**, whether a representative from your Service will be able to participate.

I would like to express my appreciation for your continued support in promoting the activities of WMO.

Yours faithfully,

Ms Ko Barrett
