Subject: Invitation to attend the Fourth FOCUS – Africa Stakeholders' Workshop and training sessions, 10 – 12 May 2023, Macaneta, Mozambique

Dear Sir/Madam,

We are pleased to inform you that the World Meteorological Organization (WMO), along with a consortium of 15 partners is holding the fourth Stakeholders' Workshop for the Full-value chain Optimized Climate User-centric Services (FOCUS-Africa) project from 10 to 12 May 2023 in Macaneta, Mozambique. The FOCUS-Africa project aims to develop sustainable tailored climate services in the Southern African Development Community (SADC) region for four sectors: agriculture and food security, water, energy and infrastructure. More information about the FOCUS-Africa project can be found at: <http://focus-africaproject.eu/>.

The workshop will be comprised of two components. A stakeholder workshop will take place on the 10 May 2023 and will focus on climate services for agriculture. It will provide an opportunity for national meteorological and hydrological services (NMHSs) to interact with users and intermediaries to exchange information and explore how to deliver useful and timely climate information for decision-making in the targeted sector.

The 11 and 12 May 2023 will be dedicated to training sessions for the NMHSs, focusing on skill assessment and bias correction of seasonal forecasts and alternate methods for computation of rainy season onset. The two days of training will be led by the Scuola Superiore Sant'Anna (SSSA) with support from the Barcelona Super Computing Centre (BSC), World Energy and Meteorology Council (WEMC), UK Met Office, African Centre for Meteorological Applications for Development (ACMAD) and other partners of the project. It is expected that the workshop will gather around 60 participants from research, science, civil society, NMHSs and policy makers, as well as 20 participants for the training days. For the workshop's programme and further information, please see the [event's webpage](#).

Consequently, we are requesting participation in the workshop of a relevant Climate Services expert according to your nomination. We would be grateful if you could provide the details of the nominee to Mr Hamid Bastani ([hbastani@wmo.int](mailto:hbastani@wmo.int)) **by 21 March 2023**. WMO will cover the cost of participation according to internal travel policies. The working language of the workshop will be English.

To: Permanent Representatives of Members with WMO (limited distribution) Angola, Botswana, Comoros, Democratic Republic of the Congo, Eswatini, Lesotho, Madagascar, Namibia, Seychelles, South Africa, Zambia and Zimbabwe

cc: Hydrological Advisers

The contribution of the nominated participant will be invaluable to the success of the FOCUS-Africa 4th Stakeholder Workshop. Should you have any questions about the workshop, please contact Mr Hamid Bastani ([hbastani@wmo.int](mailto:hbastani@wmo.int)) and copy Ms Roberta Boscolo ([rboscolo@wmo.int](mailto:rboscolo@wmo.int)) and Mr Sebastian Grey ([sgrey@wmo.int](mailto:sgrey@wmo.int)).

If you need financial assistance from WMO for your nominee's participation, please return the attached Request for Financial Assistance (RFA) Form **before 21 March 2023**.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

*Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events.*

*WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency and supplementary official travel expenses.*

I would like to take this opportunity to thank you for your continued support to WMO activities.

Yours faithfully,

Dr Elena Manaenkova  
For the Secretary-General

## ANNEX

### Excerpt from applicable rules and instructions

In accordance with WMO travel rules, air travel shall be provided in economy class, for the most economical and direct route.

If you are unable to travel after the ticket has been issued, you must inform the WMO travel agency (at: [wmo.ch@contactcwt.com](mailto:wmo.ch@contactcwt.com)) prior to departure. Please also inform [mrequests@wmo.int](mailto:mrequests@wmo.int) and [travel@wmo.int](mailto:travel@wmo.int) as soon as your travel is cancelled.

#### Visas

It is the traveller's responsibility to ensure that all required official travel documents are valid and accurate in order to obtain the necessary visa(s) for the destination, transit stops prior to departure.

#### Medical clearance

Medical clearance is a mandatory requirement for all travellers whose official travel is paid for by WMO in order to certify that they are medically fit to travel. It is the traveller's responsibility to ensure that the required medical clearance and vaccinations are obtained before travelling.

#### Insurance

As per the regulations related to insurance in the chapter 6 of the Standing Instruction on WMO official travel, non-staff members retain the primary obligation to ensure that they have the appropriate medical and travel insurance coverage when travelling on behalf of WMO, which means that if any health or travel related eventuality should occur the non-staff members should seek assistance and claim their coverage from an insurance policy that they have taken out, as per the following regulation :

"Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO liability, which is directly attributable to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency and supplementary official travel expenses".

Travellers should note that WMO Regulations and Rules do not cover additional costs arising from the prolongation of stay of experts or other costs arising from travel restrictions imposed by national authorities. As with related health insurance provisions it is incumbent on the traveller to ensure that they retain the necessary travel insurance protection to cover unexpected occurrences such as border closures or other travel restrictions.

#### Insurance policy in relation to travel by car

Official travel by private vehicle will not be covered under the WMO Staff compensation and/or Benefits insurance policies. Travellers who choose to use a private vehicle for official travel should arrange for sufficient coverage with their car insurance provider for damages caused to both the vehicle and the occupants. This applies to personal vehicles as well as rental cars.

Any additional cost resulting from a private deviation request will be borne by the traveller. In these cases, the actual cost of the self-purchased ticket will be reimbursed by WMO.

## Self-purchase of official travel tickets

Individuals travelling on behalf of WMO or whose official travel is paid for by WMO are authorized to purchase their own tickets. In this case,

- (a) Tickets can be purchased by travellers and will be reimbursed up to the actual cost paid by the traveller provided that the cost is within the financial liability as per the standard cost or the cost of the itinerary proposed by the travel agency, if such an itinerary has been requested;
- (b) In the event that there are changes to the planned official travel, the traveller is responsible for managing any associated change and refund requests by dealing directly with the ticket provider and for covering any extra charges related to these changes;
- (c) Travellers who have purchased their own tickets and are unable to travel for reasons of *force majeure* may be reimbursed the cost of the purchased tickets. Requests for reimbursement shall be justified in writing by the traveller and approved by the certifying officer;
- (d) Claims for reimbursement must be supported by the invoice paid by the traveller and/or proof of the official travel, if any.

## Travel claims

Individuals travelling on behalf of WMO or whose official travel is paid for by WMO shall, within two calendar weeks after completion of the official travel, submit a completed official travel reimbursement claim, with supporting documents, including hotel invoices and boarding passes. Recovery of official travel advances (or "due to") shall be initiated if an individual travelling on behalf of WMO fails to submit a duly completed claim together with the supporting documents, or if, on review of the claim, it is determined that the official travel advance exceeded the amount of reimbursable official travel expenses.
