15 June 2023

Annex: 1 (available in English only)

Subject: Fifteenth RA V Training Course on Tropical Cyclones in Nadi, Fiji,  
from 16 to 20 October 2023

Action required: Completed nomination form to be submitted **on or before 3 July 2023**

Dear Sir/Madam,

The Regional Association V Tropical Cyclone Committee, at its twentieth session held online, from 23 to 25 August 2022, recognized that the biennial RA V Training Course on Tropical Cyclones had been an excellent vehicle to enhance the capacity building in tropical cyclone forecasting in the region, and therefore recommended its organization in 2023.

In this regard, I am pleased to inform you that, at the kind invitation of the Government of Fiji, the fifteenth RA V Training Course on Tropical Cyclones will be held in Nadi, Fiji, from 16 to 20 October 2023.

I would, therefore, like to invite you to nominate an expert to participate in the above-mentioned training course, using the nomination form enclosed herewith (Annex). The information note for participants and an outline of the provisional programme will be made available in due course. The training event will be conducted in English only.

Due to the limited funds available for this event, it is hoped that your Service could consider covering the expenses relating to the attendance of your nominated expert.

For administrative purposes, I should be grateful if you could notify the WMO Secretariat **on or before 3 July 2023**, whether an expert from your Service will be able to participate.

Yours faithfully,

Dr Elena Manaenkova  
for the Secretary-General

To: Permanent Representatives of Members of Regional Association V - Australia, France, New Zealand, USA, UK (limited distribution)

cc: Mr 'Ofa Fa'Anunu, President of Regional Association V (South-West Pacific), Nuku' alofa, Tonga  
Mr Chris Noble, Chair of the Regional Association V Tropical Cyclone Committee, Wellington, New Zealand

**THE FIFTEENTH RA V TRAINING COURSE ON TROPICAL CYCLONES
