Annex: 1

Subject: World Weather Research Programme's (WWRP) Societal and Economic Research Applications (SERA) Working Group Meeting

Dear Sir/Madam,

I would like to inform you that the World Weather Research Programme's (WWRP) Societal and Economic Research Applications (SERA) Working Group meeting will be held in Munich, Germany from 8 to 10 September 2024.

I have the pleasure in inviting you to participate in this event. The list of participants can be found in the [Annex](#).

Please note that WMO will provide you with travel support in order to attend the event in the form of the most direct and economic air ticket, and Daily Subsistence Allowance (DSA) that will cover your accommodation and meals.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

*"Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency and supplementary official travel expenses."*

Should you require further information or clarification, please do not hesitate to contact me by email - [ibhasin@wmo.int](mailto:ibhasin@wmo.int).

Yours faithfully,

Dr Estelle de Coning  
Head

World Weather Research Programme  
Science and Innovation Department

To: Invited Experts to the WWRP Societal and Economic Research Applications (SERA) Working Group meeting
