Subject: Extraordinary session of the RA I Tropical Cyclone Committee for the South-West Indian Ocean (RA I TCC-Ext2024), online, 12 September 2024, 0630–0900 UTC, 1030–1300 UTC

Action required: Completed nomination form to be submitted to the WMO Secretariat **on or by 22 July 2024**

Dear Sir/Madam,

As endorsed by the RA I Tropical Cyclone Committee for the South-West Indian Ocean (RA I TCC) during its twenty-fourth session in November 2021 and confirmed during RA I TCC-25 in 2023, the Committee will, upon the Chair's proposal, meet every second year (in the years between its regular meetings) in an online meeting. This one-day meeting, scheduled just before the beginning of the cyclone season, is organized to review available products, and discuss operational matters.

As your country is represented in this RA I TCC, I would like to invite you to nominate an expert to attend the online RA I TCC-Ext2024 session. The nomination form and the draft agenda are attached herewith ([Annex 1](#) and Annex 2, respectively). The documents of the meeting will be made available in due course on the [session website](#).

For administrative purposes, I would be grateful if you could notify the WMO Secretariat on or **before 22 July 2024**, whether an expert from your Service will be able to participate

I would like to express my appreciation for your continued support in promoting the activities of WMO.

Yours faithfully,

Ms Ko Barrett
for the Secretary-General

To: Permanent Representatives of Members of the RA I Tropical Cyclone Committee for the South-West Indian Ocean (limited distribution)

DRAFT AGENDA/PROJET D'ORDRE DU JOUR

NB: la version française est disponible au-dessous et en page 3.

Background information

As endorsed by the RAI TCC during its 24th session in November 2021 and confirmed during RA I TCC-25 in 2023, upon the Chair's proposal, the Committee will meet every second year (in the years between its regular meeting) in an online meeting. This one-day meeting just before the beginning of the cyclone season, is organized to review available products and discuss operational matters.

A survey will be sent to the Members ahead of the session. This survey will gather information to address items 1.2; 2.2; and 4 of the attached agenda.

The final report of the last session is available here: [Tropical Cyclone Programme - Final Reports of Meetings | World Meteorological Organization \(wmo.int\)](#)

The website session with the documents is here: [RA I Tropical Cyclone Committee - Extraordinary session 2024 \(RA I TCC-Ext2024\) | World Meteorological Organization \(wmo.int\)](#)

Information de contexte

Comme approuvé par le Comité lors de sa 24^{ème} session en novembre 2021, et confirmé lors de la 25^{ème} session en 2023, le Comité, sur la proposition de la présidente, se réunira virtuellement tous les 2 ans (en alternance avec les sessions ordinaires biennuelles) pour une journée, juste avant le début de la saison cyclonique, afin de passer en revue les produits disponibles et de débattre de questions opérationnelles.

Un formulaire sera envoyé aux Membres en amont de la session. Ce formulaire collectera les informations pour aborder les points 1.2; 2.2 et 4 de l'agenda ci-joint.

Le rapport final de la session précédente est disponible en français ici: [Tropical Cyclone Programme - Final Reports of Meetings | World Meteorological Organization \(wmo.int\)](#)
