Subject: Financial Support to attend the HIWeather Final Conference

Dear Sir/Madam,

Following the acceptance of your abstract by the Scientific Steering Committee of the HIWeather Final Conference, I am pleased to inform you that the World Meteorological Organization (WMO) will provide travel support for your attendance, which includes the most direct and economical air ticket and a Daily Subsistence Allowance (DSA) to cover your accommodation and meals. The HIWeather's Final Conference will be held from 9 to 13 September 2024, at the LMU Munich, Öttingenstraße 67, 80538 Munich.

Please note that you are responsible for obtaining the necessary visas to enter Germany and any other transit countries, if applicable.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, and accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events.

WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides limited coverage for medical, emergency, and supplementary official travel expenses.

Should you require further information or clarification, please do not hesitate to contact Ms Hellen Msemo, WWRP Scientific Officer, by email (hmsemo@wmo.int).

Yours faithfully,

Estelle De Coning
Head, World Weather Research Division
Science and Innovation Department

To: Participants of the HIWeather Final Conference (see list attached)

Concept Note

WWRP HIWeather Final Conference

Munich, Germany, 9 - 13 September 2024

We are delighted to announce that HIWeather's Final Conference will be held in Munich, Germany, from September 9 to 13, 2024.

Over the past 10 years, the HIWeather project in the World Weather Research Programme of WMO has focused the attention of researchers across the world and across many disciplines on the challenges of making forecasts and warnings more effective in saving lives and reducing damage and disruption from weather-related hazards.

In this conference, we bring together these diverse groups to celebrate its successes, share new understanding, and look forward to a future in which early warnings and early action will save many more lives and livelihoods. The Conference will be conducted face-to-face. However, remote access will be available for participants who cannot attend in person.

To ensure a smooth and successful conference, please take note of the following general guidelines and requirements:

1. **Venue:** Is LMU Munich, Öttingenstraße 67, 80538 Munich
2. **Registration:** If you have not registered, please ensure to complete that via <https://forms.office.com/r/zhkzHarQ3x>.
3. **Oral presentations:** Please prepare your presentation in PowerPoint or PDF and ensure it does not exceed the duration assigned. The session leads will provide more information about the timing of presentations. Please upload the final version of your presentation via [Physik Cloud \(Imu.de\)](https://physik.cloud) before 24:00 UTC, 6 September 2024 and contact LOC if you encounter any problems.
5. **Poster presentations:** Poster size will be A0 portrait. There are no facilities at the conference to print your poster, so please bring it with you. More information will be available closer to the time when you can put your poster up.
6. **Invitation Letter:** If you need a letter for VISA application, please fill in the form, and you will be contacted afterwards <https://forms.office.com/e/ws7NZdWzWB>
6. **Logistics:** For more information about the venue, hotel and the conference dinner, please visit: [Final Conference - News - HIWeather](#).
 - During the conference, lunch will be provided. Please indicate if you have an allergy by emailing Ms Audine Laurian (Audine.Laurian@dwd.de).

Should you need any assistance with visa requirements, please contact Hellen Msemo, WWRP Scientific Officer, by email (hmsemo@wmo.int).
