Subject:WIS 2.0 Training Workshop, Casablanca, Morocco, 11–15 November 2024Action required:To nominate a representative from your service and inform the WMO<br/>Secretariat **not later than 10 October 2024** 

Dear Sir/Madam,

It is my pleasure to inform you that the WMO plans to organize a training workshop on WMO Information System (WIS) 2.0 in Casablanca, Morocco from 11 to 15 November 2024.

The training addresses the capacity-building needs of National Meteorological and Hydrological Services (NMHSs) staff implementing WIS 2.0.

The purpose of this training is to help WMO Members in building capacity by:

- (1) Raising the understanding of the WIS 2.0 architecture;
- (2) Developing skills to install and configure the WIS 2.0 box software;
- (3) Developing skills to operate a WIS 2.0 node.

The training is designed to be practical and highly interactive. Participants will be expected to work independently or in groups on these and other activities. Each participant needs to have an individual laptop to participate in practical sessions during the training. The workshop will be conducted in French.

You are invited to kindly nominate, from your service, one representative (preferably to be an IT engineer involved in software development and computer programming) to attend the workshop.

It would be helpful if you could find internal resources to support the participation of your expert fully or partially. However, if required, WMO will consider, providing financial support within the limited resources available.

Regarding insurance coverage for non-staff members, may I draw your attention to the following:

Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, and accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO liability is limited to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides limited coverage for medical, emergency, and supplementary official travel expenses.

For administrative purposes, I should be grateful if you could kindly confirm the participation of your representative in the workshop at your earliest convenience, but preferably **not later than 10 October 2024**, and indicate whether financial assistance will be required. If so, please complete, sign, and return the enclosed Request for Financial Assistance (RFA) form (Annex I) to the Secretariat at mrequests@wmo.int with a copy to wis@wmo.int. If WMO meets the travel costs, the travel arrangements will be made by the Secretariat and details will be sent to the expert in due course.

In addition, you are kindly requested to inquire about an entry visa to Morocco and check with the concerned travel agent if a transit visa is required with your itinerary. If necessary, WMO can provide a formal invitation letter in support of a visa application; for this purpose, the attached Request for Travel Visa Support form (Annex II) needs to be completed and sent to the Secretariat at registration@wmo.int with a copy to wis@wmo.int.

I take this opportunity to thank you for your support in WMO activities.

Yours faithfully,

Ms Ko Barrett for the Secretary-General

In accordance with WMO travel rules, air travel shall be provided in economy class, for the most economical and direct route.

## Visas

It is the traveller's responsibility to ensure that all required official travel documents are valid and accurate in order to obtain the necessary visa(s) for the destination, transit stops prior to departure.

#### **Medical clearance**

Medical clearance is a mandatory requirement for all travellers whose official travel is paid for by WMO in order to certify that they are medically fit to travel. It is the traveller's responsibility to ensure that the required medical clearance and vaccinations are obtained before travelling.

#### Insurance

As per the regulations related to insurance in Chapter 6 of the Standing Instruction on WMO official travel, non-staff members retain the primary obligation to ensure that they have the appropriate medical and travel insurance coverage when travelling on behalf of WMO, which means that if any health or travel related eventuality should occur the non-staff members should seek assistance and claim their coverage from an insurance policy that they have taken out, as per the following regulation :

Non-staff members of WMO who are authorized to travel at the Organization's expense and/or who are receiving a DSA from WMO must ensure they are fully responsible for expenses incurred in the event of death, illness or injury during official travel and attendance at meetings on behalf of the Organization. They are, therefore, fully responsible for arranging life, health, accident, as well as any other forms of insurance with an adequate level of coverage for the duration of such meetings and events. WMO liability, which is directly attributable to the performance of services or attendance at a meeting on behalf of the Organization, is covered by an injury and illness benefit insurance which provides a limited coverage for medical, emergency and supplementary official travel expenses.

Travellers should note that WMO Regulations and Rules do not cover additional costs arising from the prolongation of stay of experts or other costs arising from travel restrictions imposed by national authorities. As with related health insurance provisions it is incumbent on the traveller to ensure that they retain the necessary travel insurance protection to cover unexpected occurrences such as border closures or other travel restrictions.

#### Insurance policy in relation to travel by car

Official travel by private vehicle will not be covered under the WMO Staff compensation and/or Benefits insurance policies. Travellers who choose to use a private vehicle for official travel should arrange for sufficient coverage with their car insurance provider for damages caused to both the vehicle and the occupants. This applies to personal vehicles as well as rental cars.

# Ticket purchased through our WMO travel agency

The proposed itinerary is based on official travel dates and the traveller must accept or refuse this itinerary within 24 hours.

Once the proposed itinerary is confirmed, the traveller must ensure that an "Electronic Ticket" is received.

# Deviations from the proposed official itinerary

For any deviation from the official itinerary proposed by WMO travel agency, the traveller should **directly** contact the travel agency, either by phone or email to make the necessary arrangements.

CWT email: wmo.ch@contactcwt.com,

CWT phone number: (24/7) +41 58 515 00 78

Any additional cost resulting from a private deviation request will be borne by the traveller.

Deviations for personal convenience can be undertaken by the traveller purchasing their own tickets based on the WMO financial liability as per the standard cost or the cost of the itinerary proposed by the travel agency if such an itinerary has been requested. In these cases, the actual cost of the self-purchased ticket will be reimbursed by WMO.

## Self-purchase of official travel tickets

Individuals travelling on behalf of WMO or whose official travel is paid for by WMO are authorized to purchase their own tickets.

- (a) Tickets can be purchased by travellers and will be reimbursed up to the actual cost paid by the traveller provided that the cost is within the financial liability as per the standard cost or the cost of the itinerary proposed by the travel agency, if such an itinerary has been requested;
- (b) In the event that there are changes to the planned official travel, the traveller is responsible for managing any associated change and refund requests by dealing directly with the ticket provider and for covering any extra charges related to these changes;
- (c) Travellers who have purchased their own tickets and are unable to travel for reasons of *force majeure* may be reimbursed the cost of the purchased tickets. Requests for reimbursement shall be justified in writing by the traveller and approved by the certifying officer;
- (d) Claims for reimbursement must be supported by the invoice paid by the traveller and/or proof of the official travel, if any.

# Travel claims

Individuals travelling on behalf of WMO or whose official travel is paid for by WMO shall, within two calendar weeks after completion of the official travel, submit a completed official travel reimbursement claim, with supporting documents, including hotel invoices and boarding passes. Recovery of official travel advances (or "due to") shall be initiated if an individual travelling on behalf of WMO fails to submit a duly completed claim together with the supporting documents, or if, on review of the claim, it is determined that the official travel advance exceeded the amount of reimbursable official travel expenses.
