Dear Sir/Madam,

I have pleasure in informing you that at the kind invitation of the Government of El Salvador, the forty-seventh session of the RA IV Hurricane Committee will be held in San Salvador, from 31 March to 3 April 2025.

The function of the Committee may be broadly described as, among others, coordination and improvement of the hurricane forecasting and warning services, and thereby, the reduction of casualties and damage resulting from hurricanes in the Region.

Since some items of the agenda for the session are related to the activities of your Organization, I am pleased to invite you to nominate a staff to attend the session as an observer. The provisional annotated agenda and the information note for the session will be made available in due course.

For administrative purposes, I should be grateful if you could kindly notify WMO Secretariat at btapia@wmo.int and acfontan@wmo.int, at your earliest convenience, but preferably **before 27 January 2025**, of the attendance of your nominated expert.

Yours faithfully,
