17 July 2025

Subject: Professor Dr Vilho Väisälä Awards

Dear Sir/Madam,

I wish to refer to my letters reference 24651/2023/I/ONM/MQC/VAI-29&10 dated 25 September 2023 and 21964/2024/I/ONM/MQC/VAI-29&10 dated 24 January 2025, inviting candidate publications for the twenty-ninth granting of the Professor Dr Vilho Väisälä Award for an Outstanding Research Paper on Instruments and Methods of Observation (2024), and the tenth granting of the Professor Dr Vilho Väisälä Award for the Development and Implementation of Instruments and Methods of Observation in Developing Countries (2024).

I am grateful for the nomination that you provided in response to these letters. I would now like to inform you that the seventy-ninth session of the Executive Council (EC-79) decided to grant the twenty-ninth granting of the Professor Dr Vilho Väisälä Award for an Outstanding Research Paper on Instruments and Methods of Observation (2024) to: Mr Samuel T. Buisán; Mr Roberto Serrano-Notivoli; Mr John Kochendorfer; and Mr Francisco J. Bello-Millán; in recognition of their paper entitled *Adjustment of Solid Precipitation during the Filomena Extreme Snowfall Event in Spain: From Observations to "True Precipitation"* published in the *Bulletin of the American Meteorological Society*, E2570-E2578, available [online](#).

The Executive Council exceptionally decided not to grant the Professor Dr Vilho Väisälä Award for the Development and Implementation of Instruments and Methods of Observation in Developing Countries.

I would like to thank you for the submission of your nomination and express my appreciation to the authors for the technical merit of their paper.

Yours faithfully,

Ms Ko Barrett
for the Secretary-General
