Subject: Assessment of the Audit and Oversight Committee

Action required: To submit your response to the survey **by 15 February 2026**

Dear Executive Council members,

As part of its periodic self-assessment, the Audit and Oversight Committee (AOC) is seeking feedback from the Executive Council (EC) members.

AOC is a subsidiary body of EC that supports the Council in fulfilling its oversight responsibilities, particularly in the areas of governance, risk management, internal control, internal and external audit, and organizational accountability. It submits a report on its activities to each session of EC.

Regular self-assessment, informed by stakeholder feedback, is an important element of the Committee's commitment to continuous improvement and good governance.

You are kindly invited to complete a short survey designed to gather your views on the effectiveness of the AOC's mandate, functioning, and engagement with the Executive Council. The survey is confidential, and responses will be aggregated and used solely for the purposes of the self-assessment.

Please access the survey [here](#).

I would appreciate receiving your response **by 15 February 2026**.

Thank you for your time and valuable input. Should you have any questions regarding this survey, please do not hesitate to contact Alok Ojha, Director of the Internal Oversight Office (AOjha@wmo.int).

Yours faithfully,

Prof. Celeste Saulo
Secretary-General
