Subject: Designation of second acting Executive Council member for Regional Association III (South America)

Dear Members of the Executive Council,

I refer to the process of election by correspondence, undertaken by the WMO President through the letter referenced 6433649/SG/GBS dated 16 September 2025, regarding the designation of two seats for acting Executive Council members for Regional Association III (South America).

In this respect, it will be recalled, through the letter referenced [6442772/2025/SG/GBS](#) dated 28 October 2025, that the President received one nomination from Eng Eduardo Mingo Vega, the acting president of Regional Association III, that of Mr Carlos Alberto Andrade e Jurgielwicz, Director, Instituto Nacional de Meteorología (INMET), Brazil, and that the second nomination was to follow. This second nomination has now been confirmed as Lic. Antonio José Mauad, recently reinstated Director of Servicio Meteorológico Nacional (SMN), Argentina.

Having confirmed his willingness to serve in the vacant position, Lic. Antonio José Mauad has been designated as an acting member of the Executive Council.

Yours faithfully,

Prof. Celeste Saulo  
Secretary-General

To: Members of the Executive Council
