Subject: Designation of Acting Executive Council member for Regional Association II

Dear Colleagues,

I have been informed by the Secretariat of the World Meteorological Organization (WMO), of the recent departure of Mr PARK Kwangsuk, as Administrator, Korea Meteorological Administration. By virtue of [Regulation 9](#) of the General Regulations, as provided in [Basic Documents No. 1](#) (WMO-No. 15), 2021 Edition, one seat of the Executive Council (EC) has become vacant in Regional Association II (Asia).

As a result of the scheduling of the next session of the Executive Council from February 27 to 3 March 2023, the provisions of [General Regulation 116](#) and [Rule 6.2.1](#) of the [Rules of Procedure for the Executive Council](#), 2021 Edition (WMO-No. 1256), would be met, regarding the designation of an acting member of the Executive Council, with more than 130 days remaining before the next session of EC. On this basis I wish to proceed with an election by correspondence to fill this seat.

In this respect and within the provisions of [Article 13](#) of the WMO Convention and [General Regulation 16](#), concerning the composition and membership of the Council, **I wish to invite the president of Regional Association II to nominate a candidate(s) to fill this vacant seat.** In accordance with [Regulation 74](#), whereby 30 days shall be allowed for the receipt of nominations, I should be grateful to receive such nomination(s) as soon as possible and **no later than 1 September 2022.**

After receiving nomination(s), the Secretariat shall obtain confirmation of the nominee's availability, in accordance with [Regulation 75](#). This regulation further provides that when the list of candidates only contains one name, this candidate shall be declared elected.

Yours faithfully,

Prof. Gerhard Adrian
President of WMO
