19 September 2024

Annex: 1 (available in English only)

Dear Presidents of Regional Associations,

Further to [Decision 16 \(EC-78\)](#) regarding membership of the bodies reporting to the Executive Council and existing vacancies therein, I have been informed by the Secretariat of the World Meteorological Organization (WMO) that there are a number of additional vacant positions in the membership of some EC subsidiary bodies, following the recent departures of Dr Yoo and Dr Wong of Regions II and V, respectively.

A summary matrix of the membership of EC subsidiary bodies including the highlighted areas where a number of vacancies exist, is enclosed for your review. In this respect, I kindly request you to consult among the Executive Council membership of your respective region to fill these identified vacancies.

In the case of the vacancy in the IMO Prize Selection Committee, please note that only one vacancy exists for the consideration of Regions I, III and IV, as the regions from where a member should be nominated*.

In summary, this results in required nominations for:

Region	EC subsidiary body (no. of members required)
Regions I, III and IV	IMO Prize Selection Committee (1)*
Region II	Task Force on the Comprehensive Review of the WMO Regional Concept and Approaches (1) Task Force on Elections and Appointments (1)
Region V	Disciplinary Committee (1) Policy Advisory Committee (1) Task Force on the Comprehensive Review of the WMO Regional Concept and Approaches (1) Selection Committee for the Membership of the Audit and Oversight Committee (1)

To: Presidents of Regional Associations I (Africa), II (Asia), III (South America), IV (North America, Central America and the Caribbean and V (South-West Pacific)
