

Our ref.: 01025/2025/I/INFCOM

24 February 2025

Subject: Subsidiary bodies of INFCOM and selection of experts to serve in subsidiary bodies

Action required: (1) To notify the Secretariat of any objections on the selection, by **31 March 2025**

(2) For experts who concur with the selection, register them on the Expert Database and further nominate them to the Expert Network with the required days commitment as indicated on the list. Alternatively, to authorize the Secretariat, in writing, to make the necessary registration of experts on the Expert Database and nomination to the Expert Network with required days commitment.

Dear Sir/Madam,

Reference is made to my letter 12397/2024/I/INFCOM dated 13 August 2024 concerning the subsidiary bodies of the Commission for Observation, Infrastructure and Information Systems (INFCOM) and the selection of experts to serve in the subsidiary bodies.

On behalf of the president of INFCOM, Mr Michel Jean, I am pleased to inform you of the second list of experts selected to serve on the established subsidiary bodies from your country/territory, if any, attached as annex for your concurrence, as well as [the list of all the selected experts](#), as the second round of communication. The selection of experts is ongoing for a few groups and will be communicated in due course.

The Terms of Reference of the established subsidiary bodies are presented [here](#) with [the organization chart](#), which was adjusted and officially approved by the INFCOM Management Group at its meeting held in Geneva, Switzerland, from 1 to 4 October 2024. All subsidiary bodies are established for the next intersessional period, that is, until the fourth session of the Commission planned in 2026, unless otherwise specified.

Your actions below would be highly appreciated with respect to the selected experts from your country/territory:

- (1) To notify the Secretariat at wmo@wmo.int of any objections on the selection, **by 31 March 2025**.
- (2) For experts who you concur with the selection, and if not yet done so, to register them on [the Expert Database](#) and further nominate them to the Expert Network with the required days commitment as indicated in the list. Please contact community@wmo.int for any technical support on [the Expert Database](#) and the Expert Network. Alternatively, to authorize the Secretariat, in writing, to make the necessary registration of experts on the Expert Database and nomination to the Expert Network with the required days commitment.
