Subject: New Reference Guide for Permanent Representatives of WMO

Dear Sir/Madam,

The Reference Guide for Permanent Representatives of Members with the World Meteorological Organization on relevant procedures and practices of the Organization has been updated and can be accessed through the WMO website (http://library.wmo.int/pmb_ged/939_en.pdf).

As you are aware, the Guide is intended to serve as a ready reference for Permanent Representatives of Members with WMO and for the senior staff of National Meteorological or Hydrological Services (NMSs), especially those dealing with international affairs. The Guide, which is available online in pdf format, is fully web-enabled and now includes hyperlinks to facilitate easier and more convenient access to other related WMO on-line resources.

We hope you will find this revised Guide a relevant and useful resource for your work.

Yours faithfully,

(E. Manaenkova)
for the Secretary-General
