Subject: WMO Monitoring and Performance Evaluation Report (2012-2015)

Dear Sir/Madam,

I am pleased to share with you the WMO Monitoring and Performance Evaluation Report for the sixteenth financial period (2012-2015) for your information. The Report is structured along the eight WMO Expected Results and associated Key Outcomes and Key Performance Indicators. It is available in English at:

http://www.wmo.int/pages/about/documents/Monitoring_Performance_Evaluation_FinalReport_2012-2015.pdf

The Report is based on the results of the three Surveys on Impacts of Achieved Results on Members conducted during the past financial period as well as data gathered during constituent body sessions and at the WMO Secretariat.

To enhance the Report's value, the information has been analyzed by Region and areas for improvement have been highlighted. Comparison has also been made, to the extent possible, between the level of performance at the beginning and the end of the financial period.

I am taking this opportunity to thank those Members who responded to surveys and provided regular, accurate and comprehensive responses.

I assure you of my commitment to improved performance during the seventeenth financial period.

Yours faithfully,

(E. Manaenkova)
for the Secretary-General
