GENÈVE, le 7 janvier 2013

Annexes: 2 (disponibles en anglais seulement)

Objet: Cours international de formation sur les services de météorologie aéronautique  
(Beijing, Chine, 9-19 avril 2013)

Suite à donner: Pour information et mesures à prendre, le cas échéant

Madame, Monsieur,

J'ai le plaisir de vous informer que la République populaire de Chine accueillera un cours international de formation sur les services de météorologie aéronautique du 9 au 19 avril 2013 au Centre de formation de l'Administration météorologique chinoise (CMATC) de Beijing, qui est l'une des composantes du Centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale (OMM) en Chine.

Ce cours, qui se déroulera en anglais, aidera les participants à mieux interpréter et mettre à profit les produits de la prévision météorologique aéronautique. Il vise aussi à renforcer la prévision immédiate ainsi que les capacités de prévision à courte échéance et de prévision des phénomènes convectifs violents dans les pays en développement.

Les candidats retenus qui recevront le document *Admission Notices* approuvé par le CRFP de Beijing seront exonérés de frais d'inscription. Le Gouvernement chinois apportera aux participants, sur demande, un soutien au niveau local consistant notamment à assurer l'hébergement et les repas à Beijing et à fournir 50 yuan renminbi d'argent de poche par personne et par jour. Un candidat par pays en développement et deux candidats par pays les moins avancés sont retenus par le CRFP de l'OMM à Beijing aux fins de ce soutien. Les autres frais, tels que les billets aller-retour internationaux, les frais de visa, les dépenses de santé et d'assurance et les traitements nationaux devront être pris en charge par les participants ou par leurs gouvernements respectifs. Il est conseillé d'arriver à Beijing le 8 avril 2013 et d'en repartir le 20 avril. Pour de plus amples informations sur ce cours international, veuillez vous référer à l'annexe I (*Enrolment Information*).

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM (PR-6678)

cc: Conseillers en hydrologie auprès des représentants permanents

Les personnes intéressées sont invitées à remplir le formulaire d'inscription ci-joint (annexe II), qui doit être signé par le représentant permanent de leurs pays respectifs auprès de l'OMM, et à le renvoyer directement au CMATC, de préférence par courriel ([chenjy@cma.gov.cn](mailto:chenjy@cma.gov.cn) et/ou [intcmatc@cma.gov.cn](mailto:intcmatc@cma.gov.cn)) dès que possible et **au plus tard le 2 mars 2013**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(J. Lengoasa)  
pour le Secrétaire général

## ENROLMENT INFORMATION

### INTERNATIONAL TRAINING COURSE ON AERONAUTICAL METEOROLOGY SERVICES

The International Training Course on Aeronautical Meteorology Services will be held in China from 9 to 19 April 2013 by the WMO Regional Training Centre in Beijing (RTC-Beijing), sponsored by the China Meteorological Administration (CMA) and co-sponsored by the Civil Aviation Administration of China (CAAC).

#### 1. Objectives

The course is aimed to enhance the capabilities of participants in the application and interpretation of aviation weather forecast products, and to enhance the nowcasting and the short-term and strong convective weather forecasting ability to improve the issuance of SIGMET (including the content, the format, the quality and the availability) in developing countries.

#### 2. Date and Venue

9 to 19 April 2013, WMO Regional Training Centre in Beijing, China.

**Note:** Trainees are expected to arrive in Beijing on 8 April 2013 and depart on 20 April 2013.

#### 3. Course Contents

- Developments of aeronautical meteorology;
- SIGMET issuance and related applications;
- Nowcasting methods: (1) the basic knowledge of Doppler weather radar, (2) thunderstorms and strong convective weather elements; (3) thunderstorm generation, development and dissipation of the nowcasting;
- Introduction to the development of China's meteorological service;
- Visit to the operational centres of CMA.

#### 4. Training Format

Lecture, laboratory practice, group discussion, individual presentation, study tour, etc.

#### 5. Instructors

Aeronautical meteorology experts from Air Traffic Management Bureau (ATMB), CAAC, Nowcasting experts from CMA Training Centre, CMA.

#### 6. Language of Instruction

The course will be conducted in English only.

#### 7. Targeted Trainees

Meteorologists who are working in the fields of aviation weather forecasting or other related fields from developing countries.

## **8. Participants' Qualifications for Admission**

Participants are required:

- a) To be specialized in aviation weather forecasting with a minimum of one year's professional experience;
- b) To be in good physical health with no infectious diseases. Physically fit to fulfill all course activities; candidates with limited physical mobility will not be accepted;
- c) To be proficient in English;
- d) To prepare a report on aviation weather forecasting of the participants' service and a brief introduction of the participant's professional experiences for the purpose of exchanges;
- e) Not to bring family members to the training course in principle; if bringing a family member, the participant has to pay the extra expenses;
- f) To observe all the laws, rules and regulations of People's Republic of China and respect the Chinese customs during the training period.

## **9. Application and Admission**

- a) The applicants must be meteorologists who are working in the field of aviation weather forecasting and other related fields from Meteorological and Hydrological Services or Aviation Departments of developing countries. The nominated candidates are requested to submit the Application Forms to RTC-Beijing for examination and endorsement;
- b) Admission Notices will be issued to the accepted participants by e-mail by the RTC-Beijing. With the Admission Notices, the participants are requested to go through all the necessary formalities for entering China and bring all the documents (Admission Notices, Health Document, Application Forms) to RTC-Beijing on the registration date of **8 April 2013**;
- c) Only accepted applicants that receive the Admission Notices endorsed by RTC-Beijing can participate in the training course.

## **10. Training Expenses**

- a) Tuition is free for all the accepted participants that receive the endorsed Admission Notices by RTC-Beijing;
- b) RTC-Beijing will provide local support to the accepted participants from developing countries, including accommodation, meals, and pocket money (50 Yuan RMB per day). Other participants from developed countries shall be responsible for their own local cost;
- c) The international travel costs including round trip tickets, transit fares and subsistence allowance during the travel are to be covered by the participants;
- d) The expenses of visa, medical care, insurances and domestic salaries for the participants should be borne by the participant;
- e) It should be taken into account when booking the flight tickets that the scholarship covers exclusively from 8 to 20 April 2013. Any liability or expense out of this term shall be entirely at the expense of the participants.

## **11. Insurance**

The organizer of the Training Course on Aeronautical Meteorology Services does not hold any responsibility for such risks as loss of life, accidents, illness, and loss of property incurred during the whole period of participation in the training course.

## **12. Deadline for application**

Application shall be submitted and reach RTC-Beijing no later than **2 March 2013**.
