Objet: Stage de formation sur «le changement climatique et l'agriculture», CRFP de Bet Dagan, Shefayim, Israël, 6-19 juin 2014

Suite à donner: Pour information et mesures à prendre

Madame, Monsieur,

J'ai le plaisir de vous informer que le Centre régional de formation professionnelle (CRFP) de Bet-Dagan, en coopération avec l'Agence israélienne de coopération pour le développement international (MASHAV), organisera le stage de formation cité en objet dans les locaux du CRFP, du 6 au 19 juin 2014.

L'objectif du stage est d'aider les participants à tirer meilleur parti des méthodes et des techniques agrométéorologiques disponibles, ainsi que d'autres outils afin d'atténuer les différents effets du changement climatique sur l'agriculture. Ce stage, qui se déroulera en anglais, s'inscrit dans le cadre des services climatologiques fournis par le Système de surveillance international (SSI), conformément aux objectifs fixés pour le CMSC (Cadre mondial pour les services climatologiques).

Le Gouvernement israélien offrira des bourses d'études couvrant les frais d'hébergement en pension complète (deux personnes par chambre) pendant la durée du stage de formation, ainsi que les frais d'inscription et de transport pour les ressortissants de pays en développement. Cependant, les bourses d'études ne couvrent pas le prix des billets d'avion aller-retour, l'indemnité journalière de subsistance et les faux frais. Un nombre limité de bourses de voyage pourraient être octroyées aux participants. Vous trouverez dans l'annexe I des informations concernant le stage de formation, et notamment les conditions de participation.

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM (PR-6759)

cc: Conseillers en hydrologie auprès des représentants permanents

Les personnes intéressées sont invitées à remplir le formulaire de candidature ci-joint (annexe II) et à le renvoyer directement au CRFP de Bet Dagan, à l'adresse «RTC Bet Dagan, Israel Meteorological Service, P.O. Box 25, Bet Dagan 50250 Israël», ou par courrier électronique à l'adresse **rmtc@ims.gov.il** et **gershteing@ims.gov.il**, au plus tard le **20 avril 2014**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)  
pour le Secrétaire général

## ADVANCED WORKSHOP ON CLIMATE CHANGE AND AGRICULTURE

Shefayim, Israel  
6–19 June 2014

### 1. Introduction

The IMS/WMO RTC Bet-Dagan of the Israel Meteorological Service has provided training at a post-graduate level since 1967. Several thousands of participants from all over the world, mainly from developing countries, have taken advantage of the opportunities provided by our RTC to study the application of meteorology to various aspects of economic activity.

The topics of this workshop are in accordance with the concept of the Global Framework for Climate Services (GFCS), where agriculture is one of the four key areas selected by the High Level Taskforce of the GFCS.

Since Israel was successful with developing such agriculture, despite the negative impact of its climate and water resources scarcity on its agricultural production, many of the methodologies developed during the years could be used also for mitigating the results of climate change and increasing the agricultural production.

This workshop will demonstrate advanced methodologies and techniques developed in order to compensate for the impact of unfavorable climate conditions on agricultural production. It will introduce Israel's knowledge in various fields such as: (i) irrigation under changing climate conditions; (ii) microclimate control in agricultural buildings; (iii) forecaster-farmer interaction; and (iv) cultivation of crops resistant to climate change, etc.

The curriculum of the workshop will include a combination of classroom lectures, discussions, exercises, demonstrations, field trips and round-table discussions.

### 2. Workshop Objectives

- a) To discuss the effects of climate change on different fields of agriculture and agricultural production;
- b) To demonstrate modern agrometeorological techniques and methods for mitigating the effects of climate change.

### 3. Main Workshop Content

#### **Effects of climate change on agricultural production:**

- Precipitation distribution and changes
- Extreme Events – Floods, Droughts, Frost and Heatwaves
- Phenological Effects

#### **Agrometeorological techniques:**

- Advanced irrigation methods
- Usage of marginal water
- Climate control in horticulture and livestock buildings

**Forecast and risk management for improving agricultural production:**

- Short- and medium-range weather forecasts and their impact on agriculture
- Usage of Economical Tools for mitigating the impact of climate change

**4. Participation cost**

- The airfare cost should be covered by the participant, by his/her employer, or by the granting institution;
- The total cost of lodging at full board for single in a double room during the duration of the workshop, including tuition fees and field trips transportation will amount to app. 200\$ per day (inc. insurance). Total for the whole period 2400\$.

**5. Scholarships**

Scholarships, covering accommodations at full board (two persons per room) during the duration of the workshop, tuition fees and field trip transportation will be provided for participants from developing countries, by the Government of Israel – MASHAV – Israel's Agency for International Development Cooperation.

**6. Criteria**

The Advanced Workshop is designed primarily for meteorological staff of National Meteorological and Hydrological Services engaged and interested in application of advanced agrometeorological methodologies and techniques in mitigating the effect of climate change.

**7. Language**

The workshop will be held in English. A working knowledge of English is mandatory.

**8. Training Staff**

The workshop will be conducted by senior staff of the IMS/WMO RTC Bet Dagan having extensive knowledge and experience in Climatology, Agrometeorology and Agronomy, in Israel and elsewhere. Invited guest lecturers will also participate in providing and sharing their knowledge and experience in specific fields of expertise.

**9. Registration**

Interested candidates are requested to complete the attached Participant Application Form for the workshop and return it directly to RTC Bet-Dagan, Israel Meteorological Service, P.O. 25 Bet-Dagan 50250 Israel, with an e-mail to [rmtc@ims.gov.il](mailto:rmtc@ims.gov.il) or to [gershteing@ims.gov.il](mailto:gershteing@ims.gov.il) not later than the **21 April 2014**.

## ADVANCED WORKSHOP ON CLIMATE CHANGE AND AGRICULTURE

SHEFAYIM, ISRAEL

6–19 June 2014

### APPLICATION FORM

#### **Section A: Personal Details**

1. Country : \_\_\_\_\_
2. Title : Mr/Ms/Miss/Dr/Prof/ \_\_\_\_\_
3. First Name (Given) : \_\_\_\_\_
4. Family name (surname) : \_\_\_\_\_
5. E-mail : \_\_\_\_\_
6. Telephone No. : \_\_\_\_\_
7. Fax No. : \_\_\_\_\_
8. Official Address : \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_
9. Date of Birth : \_\_\_\_\_
10. Nationality : \_\_\_\_\_
11. Gender ☐ Female ☐ Male
12. Do you need an entry visa for Israel? ☐ No ☐ Yes

#### **Section B: Qualification**

13. Qualification (Certificates, diplomas, degrees, etc.):

---

---

---

---

---

14. Please indicate your English language skills:

	Excellent	Good	Fair	Poor	Nil
Speaking					
Reading					
Writing					

15. What other WMO courses have you attended in the last 5 years?

---

---

---

---

### ***Section C: Work Experience***

16. I work in
- ☐ National Meteorological and/or Hydrological Service (NMHS)
  - ☐ WMO Regional Training Center (RTC)
  - ☐ NMHS Training Center
  - ☐ University
  - ☐ Other (Please specify) \_\_\_\_\_

17. What is your job title? \_\_\_\_\_

18. How long have you been in this position? \_\_\_\_\_

19. I am a
- ☐ Meteorologist
  - ☐ Hydrologist
  - ☐ Other (Please specify) \_\_\_\_\_

### ***Section D: Rationale for Applying***

20. How are you involved in Hydrometeorology in your position?

---

---

---

---

---

21. Why do you want to attend this workshop? Be specific about how it will help you in your work.

---

---

---

---

---

22. Statement by candidate on how she/he anticipate using the knowledge and skills from this workshop in the work after the workshop?

---

---

---

---

---

Place: \_\_\_\_\_ Date: \_\_\_\_\_

Signature of the Candidate: \_\_\_\_\_

To be completed and returned as soon as possible to the Organization Committee **not later than 20 April 2014** to:

Mr Giora. G. Gershtein,

IMS/WMO RTC Bet Dagan, Bet Dagan 50250, POB 25, Israel
