Objet: Cours international de formation à distance sur la surveillance et la prévision à court terme du climat dans le cadre de la prévention et de l'atténuation des catastrophes (Beijing, Chine, 18–31 mai 2020)

Suite à donner: Pour information et mesures à prendre le **13 mai 2020** au plus tard

Madame, Monsieur,

J'ai le plaisir de vous informer que le Centre de formation de l'Administration météorologique chinoise (CMATC), un centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale (OMM), organisera le cours mentionné en objet à Beijing, du 18 au 31 mai 2020.

Ce cours s'adresse aux fonctionnaires, spécialistes et prévisionnistes chargés de la prévision du climat et de la gestion des risques de catastrophes au sein des Services hydrologiques et météorologiques nationaux (SMHN) ou d'institutions équivalentes. Pour de plus amples renseignements sur le cours et la procédure d'inscription correspondante, vous trouverez ci-joint une première note d'information (annexe I).

Les candidats intéressés sont priés de remplir le formulaire de candidature ci-joint (annexe II) et de l'envoyer directement au CMATC (applycmatc@cma.gov.cn), dès que possible et au plus tard le **13 mai 2020**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(W. Zhang)
pour le Secrétaire général

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM

cc: Conseillers en hydrologie auprès des représentants permanents

**INTERNATIONAL DISTANCE TRAINING COURSE ON SHORT-TERM
CLIMATE MONITORING AND PREDICTION IN
DISASTER PREVENTION AND MITIGATION**
18-31 May 2020, Beijing, China

Ref.: 07732/2020-1.0 MS/ETR

PRELIMINARY COURSE INFORMATION

The International Distance Training Course on Short-term Climate Monitoring and Prediction in Disaster Prevention and Mitigation will be organized by China Meteorological Administration Training Centre (CMATC), which is also designated as WMO Regional Training Centre in Beijing (RTC-Beijing), sponsored by China Meteorological Administration (CMA).

Courses Description

The course is aimed to enhance the trainees' understanding in meteorological disaster prevention and mitigation, to provide the trainees with related operational approaches on short-term climate prediction and to enhance the technical exchange and future cooperation in the meteorological field.

Course Content

The training course includes:

- 1) Introduction to climate service, including its priority areas and its components;
- 2) Short-term monitoring and prediction approaches and its application;
- 3) Disaster Risk Management.

Expected Learning Outcomes

After the courses, participants will be able to:

- build up technical knowledge on short-term monitoring and prediction approaches;
- get a better understanding of meteorological disaster prevention and mitigation.

Course Format

The distance training will be delivered via online courseware and discussion.

Target Audience

Officials, specialist, forecasters engaged in climate prediction and disaster risk

management at National Hydrological and Meteorological Services or equivalent institutions.

Instructors

Senior experts from CMA, Beijing Climate Centre, CMATC etc.

Language

The course will be conducted in **English**.

Application and Participation

- 1) Please visit <http://mooc.cmatc.cma.cn/course/view.php?id=25&isStay=true&lang=en> and create your own account. Use *CMATC2020* as the enrollment key to get access to the distance training course.
- 2) Please note that the applicants should register for the course no later than **13 May 2020**.
- 3) The participants are required to finish all the courseware and quiz. Each participant who has completed all the training course will be issued a digital certificate of the participation by CMATC/WMO RTC Beijing.
- 4) Please pay attention to the training website for updated information.
- 5) The distance training course is free of charge.

NOMINATION FORM
The International Distance Training Course on
Short-term Climate Monitoring and Prediction in Disaster Prevention
and Mitigation
(18-31 May 2020, Beijing, China)

Note: Please complete the form in **typed capital letters** and get it scanned in PDF version. Send to the organizers by email as soon as possible and in any case **no later than 13 May 2020**.

I. Personal Data

1. Surname: _____
2. Given Name: _____
3. Gender: _____
4. Date of Birth: _____
5. Place of Birth: _____
6. Passport Number: _____
7. Nationality: _____
8. Marital Status: _____
9. Health Condition: _____
10. Mobile phone: _____
Telephone: Fax: _____
Email Address: _____

11. Statement of present work

Name of institution/Department: _____
Division/Section: _____
Position held: _____
Brief description of duties: _____

12. Previous employment history

Date	Institution	Position and Duties

13. Educational and/or professional qualification

Date	Major and University	Degree/Diploma

14. Language Proficiency

Mother Tongue: _____

English Proficiency (Please tick):

Reading: a. excellent b. good c. fair d. poor

Listening: a. excellent b. good c. fair d. poor

Speaking: a. excellent b. good c. fair d. poor

Writing: a. excellent b. good c. fair d. poor

15. State why you wish to attend the course and indicate the practical use of it to your work in the future.
