Subject: Contribution to the WMO/ESCAP Panel on Tropical Cyclones Trust Fund for 2025

Your Excellency,

I have the honour to inform you that the WMO/Economic and Social Commission for Asia and the Pacific (ESCAP) Panel on Tropical Cyclones Trust Fund (hereinafter referred to as "the Fund") has been established to provide support to the Panel to facilitate the implementation of its important programmes, concerning the mitigation of the harmful effects caused by tropical cyclones, associated floods and storm surges. The Fund shall assist in the provision of institutional support to the Panel's programme, other support activities, or activities of Members related to the programme objectives.

I wish to convey my most sincere appreciation and gratitude to the Panel members who have provided financial contributions and made pledges to contribute to the Fund.

The Fund has been established from voluntary cash contributions by members of the Panel. At its fifty-first session, conducted online from 16 to 19 December 2024, the Panel urged its members to continue their contributions to the Fund as a substantial support to the Panel's activities.

In view of the above, Your Excellency, I should appreciate it if your Government would kindly consider providing a contribution to the Fund for 2025. Contributions to the Fund can be made directly to WMO, preferably for the amount of USD 3 000 or the equivalent in another convertible currency.

Payment of contributions can be effected either by cheque to the order of the "World Meteorological Organization" or by transfer to the WMO account no. 240-C0191516.1, with:
