Subject: Contribution to the ESCAP/WMO Typhoon Committee Trust Fund for 2025

Your Excellency,

I have the honour to inform you that the Economic and Social Commission for Asia and the Pacific (ESCAP)/World Meteorological Organization (WMO) Typhoon Committee Trust Fund (hereinafter referred to as "the Fund") has been established to provide support to the Committee to facilitate the implementation of its important programmes concerning the mitigation of the harmful effects caused by typhoons and associated floods, landslides and storm surges. The Fund shall assist in the provision of institutional support to the Committee's programme, other support activities or activities of Members related to programme objectives.

I wish to convey my sincere appreciation and thanks to the Committee members who have provided financial contributions to the Fund and have made pledges to contribute to the Fund.

The Fund has been established from voluntary cash contributions by members of the Committee. At its fifty-sixth session held in Kuala Lumpur, Malaysia, from 27 February to 1 March 2024, the Committee urged its members to continue and to possibly enhance members' contributions to the Fund as a substantial support to the Committee's activities.

In view of the above, Your Excellency, I would appreciate it if your Government could consider providing a contribution to the Fund for 2025. Contributions to the Fund can be made directly to WMO, preferably for the amount of USD 12 000 or the equivalent in another convertible currency.

Payment of contributions can be effected either by cheque made to the order of the "World Meteorological Organization" or by transfer to the WMO account no. 240-C0191516.1 with:

UBS SA

You are kindly asked to indicate "Contribution to the ESCAP/WMO Typhoon Committee Trust Fund for 2025" when submitting the payment.

Please accept, Your Excellency, the assurances of my highest consideration.
