Annex: 1

The Secretariat of the World Meteorological Organization (WMO) presents its compliments to the Permanent Missions to the United Nations Office and other international organizations in Geneva and has the honour to refer to the invitations to the fourth session of the Commission for Observation, Infrastructure and Information Systems (INFCOM-4) which will take place on 23–27 November 2026, in Geneva, Switzerland, with the possibility of online participation.

The Secretariat has the further honour to request the Permanent Mission's kind assistance in the transmission of the attached letter from the Secretary-General, Professor Celeste Saulo, to the Ministry of Foreign Affairs.

The WMO Secretariat avails itself of this opportunity to renew to the Permanent Missions to the United Nations Office and other international organizations in Geneva the assurances of its highest consideration.

24 July 2026

Subject: Notification of the fourth session of the Commission for Observation, Infrastructure and Information Systems (INFCOM-4)

Action required: (1) Inform on participation
(2) Pre-register for the INFCOM-4 session

Your Excellency,

I have the honour to inform you that the fourth session of the Commission for Observation, Infrastructure and Information Systems (INFCOM-4) will take place on 23 through 27 November 2026, in Geneva, Switzerland, with the possibility of online participation.

The provisional agenda is provided in [Annex I](#). Please note that the provisional annotated agenda and documents for the session will be posted on the [INFCOM-4 session website](#) in due course. An explanatory memorandum from the Secretary-General concerning the organization and conduct of the session is provided in [Annex II](#).

In view of their official status with WMO, Permanent Representatives are kindly invited to act as focal points for the online registration of their delegation for INFCOM-4. The link to the online [Event Registration System \(ERS\)](#), username and password that were sent to the Permanent Representatives by email remain valid for all upcoming WMO meetings.

The online registration will remain open until 13 November 2026 and, for further information concerning the online pre-registration, please do not hesitate to contact the WMO Secretariat by email at registration@wmo.int.

Please also note that the submission of information through the online ERS does not exempt Members from the need to provide valid credentials for the participating delegation. [Regulation 20](#) of the WMO General Regulations (*Basic documents No. 1* (WMO-No. 15)) requests Members to provide credentials for their delegations for the session with a clear indication of the principal delegate. I should welcome in due course the credentials of your delegation, signed by, or on behalf of, an appropriate governmental authority of the Member.

To: Ministry of Foreign Affairs of Members of the World Meteorological Organization

cc: Permanent Missions to the United Nations Office and other International Organizations in Geneva
Permanent Representatives of Members with WMO
Hydrological Advisers

I would like to draw your attention to the fact that, as per the [annex to Resolution 43 \(EC-76\)](#), a limited amount of funds is available for principal delegates from low and lower-middle income economies, and members of the commissions, for the reimbursement, upon request, of costs of transportation and/or for the payment of a subsistence allowance for the purpose of attending the session of the technical commission.

For administrative purposes, principal delegates, who are members of INFCOM and eligible for financial assistance, are kindly requested to inform the Secretariat by sending an email to CBezzola@wmo.int, at their earliest convenience, but not later than **23 September 2026**, if they need such financial assistance, and to indicate whether travel or daily subsistence allowance or both is required. If WMO meets the travel costs, travel arrangements will be made by the Secretariat and details will be sent subsequently.

In view of the limited time available during this session to discuss documents, Permanent Representatives and delegates are invited to submit comments and proposed amendments on the documents posted on the INFCOM-4 session website in advance of the session via plenary@wmo.int, preferably at least one week prior to the session.

A copy of this letter is being sent to the Permanent Representative and Hydrological Adviser of your country with WMO, as well as to Permanent Missions to the United Nations Office and other International Organizations in Geneva, presidents of regional associations and technical commissions and chairs of other WMO bodies.

Please accept, Your Excellency, the assurances of my highest consideration.

Prof. Celeste Saulo
Secretary-General

INFCOM-4**(Geneva, 23–27 November 2026)****PROVISIONAL AGENDA**

ITEM	TITLE
1	Agenda and organization of the session
2	Consideration of the report by the president of the Commission
3	Consideration of the WMO Programmes and strategic planning 2028–2031 relevant to the Commission
4	Technical Regulations and other technical matters

5	Review of previous resolutions and recommendations of the Commission and evaluation of implementation of relevant actions
6	Review of resolutions and decisions of Congress and the Executive Council related to the Commission
7	Work programme and subsidiary bodies of the Commission
8	Date and place of next session

EXPLANATORY MEMORANDUM OF THE SECRETARY-GENERAL

I. Introduction

1 The Secretary-General places before the Commission for Observation, Infrastructure and Information Systems (INFCOM) for its consideration, the following observations and information regarding the organization and conduct of its fourth session (INFCOM-4) and the adoption of the agenda.

II. Organization of the session

2 The Secretary-General wishes to draw the attention of the Commission to the convening of the session in Geneva, Switzerland, with the possibility of virtual participation as outlined in the attached notification.

3 The Secretary-General further draws to the attention of the Commission that a naming convention will be employed to facilitate the participation of online participants in the session. Details may be found in the [annex](#) of this Memorandum.

Quorum and decision-making

4 Presence shall be confirmed based on both physical presence of the Members of the Commission with voting rights who will be in attendance in Salle Obasi, WMO, as well as those Members with active online connections. A quorum of the simple majority of the Members with voting rights represented on the technical commission will be established at the beginning of the session and confirmed at each plenary meeting.

5 If a quorum is not obtained at a meeting, the decisions adopted by a simple majority vote of those Members present shall be referred by correspondence to Members represented on a commission. Any such decisions shall be considered a decision of the commission only when it has been approved by a simple majority of votes cast for and against within 90 days after it has been sent to the Members.

6 In view of the participation of a number of Members of the Commission online, the provisions of [Rule 6.9](#) of the Rules of Procedure for Technical Commissions and its related [Annex VI](#), on the application of the Remote Participation Regime, shall be duly applied.

Opening and closing dates

7 In accordance with the provisions of [General Regulation 146 \(c\)](#), the Secretary-General, in consultation with the president of INFCOM, decided that INFCOM-4 will take place on 23–27 November 2026.

Plenary and committees

8 The president of INFCOM will invite the Commission to work in plenary throughout the session. Committees for the session will be established and will include:

- (a) Drafting Committee (if required)
- (b) Coordination Committee.

9 The Commission may wish to nominate a Rapporteur on Previous Resolutions and Recommendations of the Commission and relevant Resolutions of Congress and the Executive Council, and establish, for the duration of its session, other committees as it deems necessary.

Rationalization of work

10 To optimize discussions of documents and facilitate a balanced treatment of agenda items during the session, Members of the Commission are encouraged to submit comments on documents to plenary@wmo.int prior to the session, preferably one week before the opening of the session.

11 In accordance with [Rule 6.15](#) of the Rules of Procedure for Technical Commissions, the president of the commission may decide to convene technical expert segment(s) of a session in which delegates may meet in breakout groups for discussion of technical issues that need clarification. Such technical segments should be conducted as non-intergovernmental with experts participating in a personal capacity.

Schedule of meetings

12 The Secretary-General wishes to draw the attention of INFCOM to the tentative workplan which will be available through the session website at INFCOM-4 -Tentative Workplan.

Conduct of business

13 The Secretary-General wishes to draw the attention of INFCOM to the relevant regulations regarding the conduct of business in meetings of constituent bodies, namely General Regulations [77](#) to [91](#).

14 The Secretary-General further draws attention to the practice for taking the floor whereby Members represented in the Commission (principal delegates or their alternates/ advisers/delegates on their behalf) intervene first, followed by observers.

15 Participants should signal their wish to speak using the videoconference system, as will be indicated on the INFCOM-4 website.

16 Individual statements are normally limited to three minutes.

17 Participants are encouraged to submit written comments on documents following their intervention to plenary@wmo.int.

Records of meetings

18 In accordance with the provisions of [General Regulation 95\(c\)](#) audio recordings of plenary meetings shall be made and retained for record-keeping purposes.

Resolutions, decisions and recommendations

19 The Secretary-General draws the attention of INFCOM to the provisions of [General Regulation 94](#) on the recording of resolutions, decisions and recommendations of the Commission.

20 Pursuant to the provisions of [General Regulation 95\(a\) and \(b\)](#), after the sessions of a constituent body, the resolutions, decisions and recommendations shall be recorded in the final report of the session and published by the Secretariat. Information documents and statements shall be included in the final report.

21 In addition, summarized minutes of the discussion at plenary meetings of constituent bodies shall be prepared by the Secretariat only where there is a specific request from the plenary.

Languages

22 In accordance with the provisions of General Regulation 97, the Secretary-General, following consultation with the president, has determined that all official languages will be the working languages of the session.

Documentation

23 Documents for the session will be made available and managed following normal practice through the INFCOM-4 website.

24 In addition, and in accordance with the provisions of [General Regulation 92](#), any document shall be made available in sufficient time, before the opening of the plenary meeting at which it will be discussed. The time should be specified by the commission.

25 Other international organizations with which the Organization has concluded arrangements or agreements may submit documents to sessions of constituent bodies or subsidiary bodies on agenda items of direct interest to them within the time fixed for the different bodies. In this case, such documents should be made available to the Secretary-General for circulation in accordance with the Regulations.

III. Adoption of the agenda

26 In accordance with the provisions of [Rule 6.13](#), the provisional agenda for the INFCOM session has been prepared by the president of the Commission, in consultation with the Secretary-General.

27 The Secretary-General draws the attention of the Commission to [Rule 6.13.6](#) that the provisional agenda should be submitted for approval by the Commission as soon as possible after the opening of the session. In the course of the session, the agenda may be amended at any time.
