Subject: WMO briefings to Permanent Representatives and Missions in Geneva prior to the Nineteenth Session of the World Meteorological Congress

Dear WMO Permanent Representatives,

In preparation for the Nineteenth session of the World Meteorological Congress (Cg-19), which will be held in Geneva from 22 May to 2 June 2023, I have the honour to invite you to a briefing for Permanent Representatives and Missions in Geneva on 24 April 2023.

During this briefing, we will address the different themes of Cg-19, such as Services, Infrastructure, Science, Capacity Development, and Water and Cryosphere, and will highlight the main WMO initiatives, including the UN Global Early Warning Initiative, Early Warnings for All.

We will be pleased to answer all your questions.

In order for all Members to be able to connect to this important briefing, two sessions are organized on 24 April 2023:
