Action required: Presidents of regional associations to propose one member from each region to the President of the World Meteorological Organization before **2 November 2020**

Dear Sir/Madam,

As you may recall, during the seventy-second session of the Executive Council, [Decision 15 \(EC-72\)](#) - Review of the membership of bodies established by Congress and the Executive Council, a Task Force was established to lead a comprehensive review of the WMO Regional Concept in line with [Resolution 11 \(Cg-18\)](#) - WMO Reform - next phase, with the task to submit recommendations to EC-73 and to the Extraordinary session of the World Meteorological Congress that will be held in 2021.

The Task Force will be led by the Third Vice-president of WMO (Chair), the presidents and vice-presidents of regional associations, and interested EC members. In this context, I should be grateful if you could make the relevant consultations in your respective region and transmit the name of the proposed candidate in writing to the President of WMO before **2 November 2020**.

Yours faithfully,

Dr Elena Manaenkova
for the Secretary-General

To: Presidents of Regional Associations
