21 March 2024

Subject: Appointment of members of the WMO Audit and Oversight Committee  
Action required: Interested individuals are invited to submit applications not later than **19 April 2024**

Dear Sir/Madam,

I am pleased to attach the Vacancy Notification for applicants for the World Meteorological Organization (WMO) Audit and Oversight Committee. This call for applications is posted on the [WMO e-recruitment website](#).

The Audit and Oversight Committee (AOC) is mandated by the Executive Council (EC) to make observations and provide recommendations to EC and the Secretary-General on all matters relating to legality, compliance, effectiveness, efficiency, and economy of the WMO Secretariat management practices, including accounting, finance, ethics, rules, regulations and procedures, in order to assist EC in carrying out its oversight activities.

The seventy-second session of the Executive Council, through [Resolution 13 \(EC-72\)](#) - Rules of Procedure for the Executive Council, approved the process for the appointment of AOC members as part of the Rules of Procedure for EC. Accordingly, EC appoints members of the AOC through a transparent process that involves a vacancy announcement for the AOC seats to call for application from qualified individuals for consideration.

The AOC comprises seven members, each of whom sits in a personal capacity. The members of the AOC are appointed by EC for an initial period of three years that can be renewed only once for another period of three years. Individuals serving in EC and former staff members of WMO are not eligible for the appointment as members of the AOC.

Members of the Committee shall not receive any remuneration from WMO for their services. However, if required, WMO will meet the travel and subsistence costs involving their attendance to the meetings of the Committee in accordance with the WMO travel policy. Regular meetings of AOC are being held at the WMO Secretariat in Geneva, Switzerland, twice in a calendar year within the periods March-May and September-November.

I should be grateful if you could bring this call for application for the membership to the AOC to the attention of the individuals with appropriate skills. Applications should be made online through the [WMO e-recruitment](#).

Please note that the Vacancy Notice closes on **19 April 2024**. The AOC Terms of Reference can be downloaded [here](#).

Yours faithfully,

Prof. Celeste Saulo  
Secretary-General

To: Permanent Representatives of Members with WMO
