Subject: User friendly online version of the “WMO Survey on Nowcasting Systems and Services”

Action required: To complete the online survey, **as soon as possible, but preferably not later than 8 August 2014**

Dear Sir/Madam,

Reference is made to circular letter, WDS/DPFS/GDPFS-NWS/2013, dated 1 May 2014, and, in particular, Annex III titled, “The WMO Survey on Nowcasting Systems and Services (2013)”. In the letter it had been requested that the questionnaire contained under Annex III be duly filled and returned directly to Ms Haleh Kootval, Chief, Public Weather Services (PWS) Programme, by e-mail attachment, as soon as possible, but preferably not later than 25 June 2014. Upon consultation with Members, a more user friendly online version of this questionnaire has since been developed. In this context, I am pleased to inform you that this survey is now available at the following link:

[https://www.surveymonkey.net/s/pws\\_nowcasting](https://www.surveymonkey.net/s/pws_nowcasting)

The purpose of this questionnaire, as stated in the previous correspondence, is to ascertain specific information from Members on their Nowcasting Systems. In this regard, we would be appreciative if your Service could kindly complete and submit the online questionnaire, **as soon as possible, but preferably not later than 8 August 2014**.

Yours faithfully,

(E. Manaenkova)  
for the Secretary-General
