Our ref.: 31372/2017/REM/Survey

22 August 2017

Subject: REMINDER: Your contribution for the preparation of the WMO Strategic Plan 2020-2023

Action required: Online Survey to be completed by **25 August 2017**

Dear colleagues,

You will recall that in July I invited you by circular letter to participate in an online survey in connection with the development of the WMO Strategic Plan 2020-2023.

The objective of this initiative is to help make the Strategic Plan more concrete and specific, by gathering input from Members of the Organization so that specific deliverables (with related milestones), in line with the priority areas, might be identified and included within the Plan.

It will also help develop an important link with the Operating Plan and Result-based Budget for the upcoming financial period (2020-2023).

I wish to thank those of you who have already completed the survey. To those who have begun the process of entering responses, I urge you to complete the task before the deadline of **25 August 2017**.

If you have not yet started to enter responses to the survey, please consider doing so as the value of the survey depends upon a strong level of response.

The link to the online Survey is: www.wmo.int/planningprocesssurvey.

If you experience any difficulties in accessing it, please contact Mr. Declan Murphy at dmurphy@wmo.int and he will provide you with the support required.

Yours faithfully,

 (P. Taalas)
 Secretary-General

To: Permanent Representatives (or Directors of Meteorological or Hydrometeorological Services) of Members of WMO
 Presidents of technical commissions and presidents of regional associations

cc: President of WMO
 Hydrological Advisers to Permanent Representatives
