12 February 2019

Subject: Confirmation of new dates for the World Meteorological Organization (WMO)
High Mountain Summit

Dear Sir/Madam,

I wish to refer to WMO circular letter ref. No. 32999/2018/OBS/GCW, dated 14 December 2018, announcing the postponement of the World Meteorological Organization (WMO) High Mountain Summit, which was initially scheduled to take place in Geneva, Switzerland, from 25 to 27 February 2019. Following consultations with the organizing committee and partner organizations, it was decided to postpone the aforementioned event until after the release of the Intergovernmental Panel on Climate Change (IPCC) Special Report on the Ocean and Cryosphere in a Changing Climate (SROCC), which is planned for late September 2019.

In this regard, I am pleased to inform you that the High Mountain Summit will be held in Geneva, Switzerland, from 29 through 31 October 2019. For further details, please visit the Summit's website at: <https://highmountainsummit.wmo.int/en>.

I would like to express my sincere gratitude for your interest in this event, and I am looking forward to your engagement, prior to and during the Summit. As mentioned earlier, your pre-registration will remain valid for the rescheduled event. If you, or your service, are interested in participating, please complete the Expression of Interest Form at: <https://highmountainsummit.wmo.int/pre-registration>.

I would like to take this opportunity to thank you for your continued support in promoting the WMO High Mountain activities.

Yours faithfully,

(W. Zhang)

for the Secretary-General

To: Permanent Representatives (or Directors of Meteorological or Hydrometeorological Services) of Members of WMO

cc: Hydrological Advisers to Permanent Representatives
