Action required: For information and appropriate action, as necessary,
no later than 1 October 2019

Dear Sir/Madam,

I am pleased to inform you that the China Meteorological Administration Training Centre (CMATC) is planning to hold an international training course on "FENGYUN Satellite Products and Application" from 11 to 17 November 2019 in Haikou, Hainan Province, China, which will be co-organized with the National Satellite Meteorology Centre (NSMC).

The course includes lectures on satellite products of geostationary satellites such as wind profiling radar (WPR), cloud spectral image, lightning image observation, space weather monitoring; Satellite Weather Application Platform (SWAP) and Satellite Monitoring Analysis Remote-sensing Toolkit (SMART) and so on.

Experts from your Service are invited to participate in the mentioned course, which is designed for senior meteorologists engaged in satellite meteorology working for at least three years in this field. All accepted participants are required to submit a country report concerning satellite meteorology service and application of satellite products in your Service prior to the training.

All accepted participants from developing countries who have submitted the country report would receive local supports including accommodation, meals, local accident insurance and pocket money during the training. If there is any request for international transport support or other matters, please contact Ms DENG Jingmian (email: ctkatte@126.com; telephone: +861068409467) and Ms LIU Chang (email: liuc@cma.gov.cn; telephone +861068407157).

Interested candidates are requested to complete the attached "Nomination Form" in the Annex, which should be endorsed by the Permanent Representative of the respective country with WMO, and sent with a copy of the passport directly to applycmatc@cma.gov.cn, **no later than 1 October 2019**.

Yours faithfully,

(E. Manaenkova)
for the Secretary-General
