7 November 2019

Annex: 1 (available in English only)

Subject: Survey on implementation of Data Policy

Action required: Complete online questionnaire by **12 December 2019**

Dear Sir/Madam,

I wish to refer to Resolution 2 of the seventy-first session of the Executive Council requesting the Secretary-General to undertake a survey on the national practices of implementation of the data policy established in Resolution 40 (Cg-XII), Resolution 25 (Cg-13) and Resolution 60 (Cg-17).

In this connection, I am pleased to inform you that a survey will be conducted in the form of an online questionnaire.

Members are kindly requested to complete the survey [online](#) with password *datapolicy*, or send an electronic copy to wis-consultation@wmo.int of the compiled [pdf form](#), **no later than 12 December 2019**. Please note that only one completed questionnaire per Member will be accepted.

The results of the survey will be thoroughly analysed to provide the basis for the data policy review process to be initiated by the Policy Advisory Committee (PAC). The collection of complete and detailed information on all aspects of the implementation of data policy by the WMO Members is critical to produce an accurate view of the current situation and provide an outlook of the opportunities of the data policy revision.

Should you have any question concerning the survey, or should you experience problems accessing it, please do not hesitate to contact the WMO Secretariat by email (wis-consultation@wmo.int).

I wish to thank you and the government of your country for your continued support in promoting the Programmes and activities of WMO.

Yours faithfully,

(P. Taalas)
Secretary-General

To: Permanent Representatives (or Directors of Meteorological or Hydrometeorological Services) of Members of WMO
