Subject: Survey on the implementation of a Data Policy

Dear Sir/Madam,

I refer to the letter reference 29469/2019/OBS/WIS/DRMM dated 7 November 2019, requesting submission of the online survey on the implementation of a Data Policy before 12 December 2019.

I wish to thank the Members who have already completed the survey. I have also received requests for an extension of the original deadline as some Members need to consult with several stakeholders.

I would like to use this opportunity to highlight the importance of the survey in completing the review of the WMO Data Policies, and to remind you that receipt of your submission before **10 January 2020** would be very much appreciated.

Should you have any questions concerning the survey, or should you experience problems accessing it, please do not hesitate to contact the WMO Secretariat by email at [wis-consultation@wmo.int](mailto:wis-consultation@wmo.int)

I wish to thank you and the government of your country for your continued support in promoting the Programmes and activities of WMO.

Yours faithfully,

(P. Taalas)  
Secretary-General
