Subject: WMO Survey on the Operational Implementation of WIGOS Station Identifiers

Action required: To complete the online WSI survey by **15 June 2021**

Dear Sir/Madam,

I wish to refer to the letter reference 06855/2021/I/DIM/WSI dated 6 April 2021, requesting submission of the online survey on Operational Implementation of WIGOS Station Identifiers (WSI) before 15 May 2021.

I wish to thank the Members who have already completed the survey. I have also received requests for an extension of the original deadline as some Members need to consult with several stakeholders.

I would like to use this opportunity to highlight the importance of the survey in preparation of support and training on WSI (to better understand the current situation and assess your center's preparedness and plans on WSI implementation) and to remind you that receipt of your submission **before 15 June** would be much appreciated.

The link to the survey is [here](https://analytics-eu.clickdimensions.com/cn/accqt/wsi-survey) or copy the following link to your browser:

Should you have any questions concerning the survey, or should you experience problems accessing it, please do not hesitate to contact the WMO Secretariat by email at wis@wmo.int with the subject "WSI Survey".

I wish to thank you and the government of your country for your continued support in promoting the programmes and activities of WMO.

Yours faithfully,

Dr Wenjian Zhang
for the Secretary-General
