Subject: Task Team on Aviation Data candidates

Action required: To nominate a candidate for the TT-AvData by **9 January 2023**

Dear Sir/Madam,

I wish to refer to [Resolution 1 \(INFCOM-1\)](#) establishing the Standing Committee on Information Management and Technology (SC-IMT) and its function of implementation and maintenance of the technical regulations on the exchange of aviation data published in the [Manual on Codes](#) (WMO No. 306) Vol. I.3.

The Task Team on Aviation Data (TT-AvData) was established under SC-IMT with the purpose to develop and maintain those regulations according to ICAO requirements. The operational implementation of the ICAO Meteorological Information Exchange Model (IWXXM) and the transition from the Traditional Alphanumeric Codes (TAC) to IWXXM has generated a significant workload on TT-AvData and to complete the required updates to IWXXM, it is necessary to increase the number of active members on the team.

Therefore, I am kindly requesting you to nominate candidate members of TT-AvData with knowledge of IWXXM and data standards.

Please send a brief curriculum vitae detailing education, experience, relevant skills, and contact details of the experts you wish to recommend to wis@wmo.int by **9 January 2023**.

I take this opportunity to thank you for your support to WMO activities.

Yours faithfully,

Dr Wenjian Zhang
For the Secretary-General
