Dear Sir/Madam,

Further to the letter with reference 5272-26/IPCC/GEN dated 26 October 2026, and on behalf of the Chair of the Intergovernmental Panel on Climate Change (IPCC), I would like to address you on the subject of the resumed Sixty-Fifth Session of the IPCC (IPCC-65), which will take place virtually from 1 to 3 December 2026. The resumed session constitutes a continuation of the Session that was suspended.

The resumed session will primarily focus on the two remaining agenda items: IPCC Trust Fund Programme and Budget and AR7 timeline.

Simultaneous interpretation in the official UN languages (Arabic, Chinese, English, French, Russian and Spanish) will be provided during the plenary sessions. Meeting documents will be in English only.

Further information about the organization of the resumed IPCC-65, including the provisional agenda and meeting documents, will be made available on the IPCC website www.ipcc.ch.

Clear procedures will be put in place, building on the experience gained from holding virtual IPCC Sessions during the AR6/COVID-19 period, while ensuring full and effective participation of all member governments, confidentiality of the proceedings and promoting inclusivity and equitable engagement across all regions. Detailed information regarding the modalities for requesting the floor, making interventions and raising points of order will be communicated to participants in advance of the session.

Nominations submitted for participation in IPCC-65 prior to its suspension shall remain valid for the resumed session unless revised by the Government concerned. Governments wishing to modify the composition of their delegation are invited to submit revised nominations with the name and affiliation of the participant, **no later than 17 November 2026.** These revised nominations should be sent to the Secretary of the IPCC, c/o World Meteorological Organization, P.O. Box 2300, 7bis Avenue de la Paix, CH-1211 Geneva 2, Switzerland, or attached to an email message addressed to ipcc-sec@wmo.int. Any revised **nominations should be made on official letterhead**, as nominations by simple e-mail will not be accepted.

For technical and administrative purposes, all additional participants, who were not previously registered for IPCC-65, are requested to complete the pre-registration process. Please pre-register each additional designated participant, no later than **17 November 2026,** at the following website: https://apps.ipcc.ch/register, using the unique credentials sent to all Focal Points in advance of the previous session. Kindly indicate the Head of the delegation and the Alternate Head of the delegation during pre-registration. Please inform the Secretariat if there have been changes to the name of the Focal Point.
