Action required: Submit completed nomination form on or before **31 July 2026**

Dear Sir/Madam,

During the twenty-third session of the Regional Association V (RA V) Tropical Cyclone Committee (5–7 August 2025, virtual session), members emphasized the importance of the serial RA V Training Course on Tropical Cyclones and reported substantial benefits from this training.

In this regard, I am pleased to inform you that, at the kind invitation of the Government of Fiji, the seventeenth RA V Training Course on Tropical Cyclones will be held in Nadi, Fiji from 5 to 9 October 2026.

I would, therefore, like to invite you to nominate an expert to participate in the above-mentioned training course, using the nomination form enclosed herewith ([annex](#)). The information note for participants and an outline of the provisional programme will be made available in due course. The training event will be conducted in English only.

Due to the limited funds available for this event, it is hoped that your Service would consider covering the expenses relating to the attendance of your nominated expert.

For administrative purposes, I would be grateful if you could notify the WMO Secretariat (Ms Anne-Claire Fontan (acfontan@wmo.int)) and Mr Yasushi Mochizuki (ymochizuki@wmo.int) **on or before 31 July 2026**, whether an expert from your Service will be able to participate in the training course, by completing the nomination form in the [annex](#).

Yours faithfully,

Ms Ko Barrett
for the Secretary-General
