GENEVA, 18 April 2013

Annex: 1 (available in English only)

Subject: Fellowship opportunities for RA V countries at the Regional Training Center of the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

Action required: For information. Interested candidates should apply to WMO by **15 May 2013**

Dear Sir/Madam,

I would like to inform you that the Regional Training Center of the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) will be conducting a Hydrologists Training Course that aims to provide general operational hydrology knowledge with a particular focus on hydrological forecasting. In continuation of the fruitful cooperation between WMO and PAGASA on fellowships activities, the course, including two months on-the-job training, will be held in PAGASA from July 2013 until June 2014 in partnership with WMO.

As a course requirement, applicants should have either completed PAGASA's Meteorologist Training Course, or should have graduated with a Bachelor of Science degree in Engineering or other allied sciences.

PAGASA will provide the accommodation for the entire duration of the course to selected foreign participants from RA V. The tuition fee will also be waived and local transportation will be provided by the agency during its conduct of the on-the-job training.

Interested applicants should complete the attached PAGASA Training Application Form, and send it, together with a copy of their transcript of records, before **15 May 2013** to:

Ms. Edna Seachon
Chief of our Training, Fellowship and Scholarship Unit
Philippine Atmospheric, Geophysical and Astronomical Services Administration
(PAGASA)
P.O. Box 3278, Manila

ednaseachon@yahoo.com
Fax: (632) 434-3843 and (632) 434-2675

To: Permanent Representatives of Members of Regional Association V (PSW-438)

WMO would meet the cost of 11 months expenses for four selected participants, amounting to about US\$ 4,125 per person, a round trip ticket and medical insurance. Any candidate interested in being considered for WMO fellowships should complete the WMO Fellowships Nomination Form (available on: <http://www.wmo.int/pages/prog/dra/etrp/documents/FNFEnglish.doc>) with their official academic records and forward to WMO through the Permanent Representative of his/her country with WMO before **15 May 2013**.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'E. Manaenkova', written in a cursive style.

(E. Manaenkova)
for the Secretary-General
