Subject: Notification of the Regional Association VI (Europe)
Regional Climate Centre Users Forum – Valencia, Spain, 5 and 6 November 2024

Dear Sir/Madam,

I am pleased to inform you about the upcoming Regional Association (RA) VI (Europe) Regional Climate Centre (RCC) Users Forum, scheduled to take place in Valencia, Spain on 5 and 6 November 2024. The forum will be held in a hybrid format in the mornings, with limited in-person participation.

The RA VI RCC Users Forum is a key event that aims to bring together experts, stakeholders, and users from National Meteorological and Hydrological Services (NMHSs) to discuss, collaborate, and enhance climate services to different socioeconomic sectors, as well as advance the transfer of research into operational activities. The forum will focus on strengthening cooperation among RCC nodes, users, hydrologists, researchers, and other stakeholders, and promoting the effective translation of research into practical operations.

I anticipate broad remote participation via Zoom from RA VI RCC Consortium members, researchers, and National Focal Points for the Climate Services Information System (CSIS). I kindly request your assistance in facilitating their participation.

Please note that financial assistance will be available, upon request on a case-by-case basis, within the limited budget available, only to the RA VI RCC Coordinator, RA VI RCC Nodes Leaders and RA VI Regional Climate Outlook Forum (RCOF) Coordinators, who are expected to attend the RA VI RCC User Forum in person ([Annex I](#)), due to their participation in the RCC Coordination Team meeting, planned as an in-person event, in the afternoons on 5 and 6 November 2024.

I kindly request your representatives to confirm their participation by completing the [registration form](#), also accessible via the attached QR code ([Annex II](#)).

Further details, including the agenda and a survey to support the event preparation, will be provided in due course to the confirmed participants. For further information or any inquiries, please feel free to contact the WMO Regional Office for Europe.

I thank you for your attention and support, which is crucial to the success of the forum.

Yours faithfully,

Prof. Celeste Saulo
Secretary-General

To: Permanent Representatives and Hydrological Advisers of RA VI Member States with WMO

cc: National Focal Points on Climate Services Information System from RA VI

**LIST OF COORDINATION TEAM MEMBERS
AND REGIONAL CLIMATE OUTLOOK FORUM COORDINATORS IN RA VI**

Ref.: 14572/2024.15 MS/ROE
